She's his best friend, and the woman he never stopped loving... To this day, Isaac McKnight still has no idea why the perfectly-imperfect-woman-for-him put an end to their relationship out of the blue. He made sure they stayed friends though. But now, it's a year later and he and Xoey are steadily getting sucked deeper into buddy-zone galaxy, with its dangerous proximity to watch-me-settle-down-with-someone-else abyss. That is...until one drunken confession changes everything. He's the world's greatest ex, and the man she can't risk losing... For Xoey Montenegro, history has taught her that sometimes, it's Prince Charming who does the vanishing. So, as far as tequila-fueled plans for her still-unrecovered love life go, a match-finding formula analyzing the exes responsible for her most epic 'ohs' seems brilliant. The only problem with her genius man-uation, however, is the one ex she never truly got over. Her best friend Isaac. "Every time I pick up one of Violet's stories, I know I'll be in for a heartfelt, emotional, and FUN read. Her heroes are just so swoony and sweet. And sexy!" -- #1 New York Times Bestselling Author Lauren Blakely THE CACTUS CREEK SERIES Love, Chocolate, and Beer [Luke & Dani] Love, Diamonds, and Spades [Rylan & Quinn] Love, Tussles, and Takedowns [Hudson & Lia] Love, Exes, and Ohs [Isaac & Xoey] All the Cactus Creek novels are standalone novels with feel good HEAs. Enjoy! :)

The Glamour.com columnist and MTV reality star presents a series of essays chronicling her offbeat misadventures of searching for love and fame in New York City, efforts that involved impromptu meetings with ex-boyfriends, spilled spinach dip and a bacon theft. Original.

exit the groom... Child psychologist Gwen Traynor has learned the hard way that "perfect" men aren't always what they seem. After being dumped the night before her wedding, she's understandably wary of diving back into the dating pool. But when she meets Alex Coughlin, she's convinced her luck is changing. He's smart, handsome, funny -- an ideal rebound guy. She doesn't intend to fall in love with him, but scintillating dates and mind-blowing physical chemistry have a way of winning a girl over. enter the ex... Just as things are heating up with Alex, Gwen meets her newest patient -- a precocious preschooler whose chaotic soap opera-actress of a mother, Harmony, sounds an awful lot like one of Alex's crazy ex-girlfriends. Mostly because she is one of Alex's crazy ex-girlfriends. Unfortunately for Gwen, Harmony has a secret that plunges them all into a real-life daytime drama, complete with sex, lies, and Vegas elopements. With Harmony determined to reunite with Alex and Gwen's ex-fiancé begging for a second chance, only one thing is certain: New loves and old flames are an explosive combination.

He's a better fighter A fighter to the core, Hudson Reyes has collected enough battle scars now to last several lifetimes. But after his combat injuries retire him from the life he wasn't ready to give up, Hudson finds himself spending the carbon copy days of his new career as a Hollywood fight scene and weapons specialist just doing what he knows best: surviving. Until he meets her. The one woman who makes him want to live again. With wounds as deep as his own, she's a scrappy little thing--an angel-faced paradox that comes as a package deal with an offbeat town of admirably protective, but downright nosy folks. And a wicked roundhouse kick that's become intimately familiar with his head. ...but she has all the weapons. An antique arms authenticator by day and a self-defense instructor by night, Liana Lin has made a living turning the unthinkable demons of her past into the passions that fuel, and fill, her life. So when the unjustly handsome man she's been unable to stop thinking about literally takes her to the mat with martial arts styles unlike anything she's ever seen--pinning her with a molten hot stare that melts her like a marshmallow trapped between a graham cracker and a chocolate square--Lia flips into no-holds-barred fight mode. Because if one man could find a way to disarm her carefully-built defenses, it'd be him. Now if only they could stop sparring long enough to find out...

-- A USA TODAY best-seller -- Fiercely independent single mom Quinn Christiansen likes being known for having a heart too hard for any man to break. So when she finally meets the lone man in town inexplicably undaunted by her ball-busting tendencies, she has absolutely no clue what to do with him. Not only is he ridiculously handsome, and surprisingly sweet under his gruff and gritty exterior, he's also clearly determined to invade her life. Rylan Grey isn't used to getting a woman so worked up. Well, not in a bad way, at least. And yet somehow, his mere existence seems to nettle the guarded and gorgeous Quinn to no end. But that's okay. He's a patient guy. Truth be told, though he's never wagered anything he's not willing to lose--namely his heart--where Quinn is concerned, he's more than ready to ante up...for what's bound to be his riskiest gamble yet. "Violet's writing simply jumps off the page and grabs you from the first sentence. If you love strong heroes, you'll love her books." -- New York Times Bestselling Author Bella Andre THE CACTUS CREEK SERIES Love, Chocolate, and Beer [Luke & Dani] Love, Diamonds, and Spades [Rylan & Quinn] Love, Tussles, and Takedowns [Hudson & Lia] Love, Exes, and Ohs [Isaac & Xoey] All the Cactus Creek books are standalone novels with feel-good HEAs. :) Enjoy!

-- A USA TODAY best-seller -- Brewmaster and town sweetheart Dani Dobson is officially declaring war against her hot, maddening new menace of a neighbor--and his shop. How the man manages to provoke her so much is beyond her. But he does, and really, she's just picking up the gauntlet he tosses her way. The terms of their little throwdown? Her business versus his in the arena of romance. And the stakes? Very likely, her heart. Chocolatier and town newcomer Luke Bradford loves his shop's new home. Partly because he couldn't ask for a better fresh start for both his professional and personal life, and partly (okay, mostly) because he gets to lock horns with the feisty beer-brewing beauty next door, and effectively push all her buttons on a fairly regular basis. To be fair, in his defense-- Just kidding. He has no defense. As far as the meddling matchmakers in this quirky little town are concerned, this is going to be their most unlikely (and interesting) pairing yet... "Violet Duke always writes such compelling, delightful characters who manage to pull you in and

make you feel a part of their lives." -- #1 New York Times Bestselling Author Barbara Freethy **AUTHOR NOTE** Be forewarned, this slow-burn romcom is definitely sweeter (and longer) than my other books (but there is still some on-page steam, as well as a few curse words--no f-bombs though, per usual). A book about a brewmaster and chocolatier battling over Valentine's Day supremacy? Yep, it was a given I was going to go all-out on the feel-good romance for this one. :) So if you're in the mood for a light and fun love story (with some of my token laugh-and-cry Violet Duke-ness, of course) between two stubbornly romantic characters who work hard for their happily ever after, this is the book for you! xoxo V THE CACTUS CREEK SERIES Love, Chocolate, and Beer [Luke & Dani] Love, Diamonds, and Spades [Rylan & Quinn] Love, Tussles, and Takedowns [Hudson & Lia] Love, Exes, and Ohs [Isaac & Xoey] All the Cactus Creek books are standalone novels with feel-good HEAs. :) Enjoy!

-- A USA TODAY Bestseller -- Before that night, Addison Milan had been just a college dropout secretly raising her two young siblings in a beat-up minivan she'd bought with her first semester's tuition refund--the only money her addict mother hadn't taken off with when she'd abandoned them nearly two years ago. Before that night, Caine Spencer had been just a rough, gruff cop sent to check out the phoned-in claims of suspected child neglect involving the same woman he'd met just months prior when she'd first served him the city's worst diner coffee...which he'd been drinking daily ever since. Before that night, Addison would never have thought the man she'd been fighting hard not to fall for--her only friend in her new shadow of a life--would be in a position to rip her family apart. Before that night, Caine would never have believed any woman could make him fall head over heels, let alone make him feel so damn compelled to look the other way when it came to his job. Then that one perfect night changed everything. "Hot, sweet, and filled with tender moments, Violet Duke writes heroes who make me swoon!"-- New York Times bestselling author Kendall Ryan **BEFORE THAT NIGHT** (Bk 1 of 2) chronicles the events that take place seven years prior to **EVERY NIGHT WITHOUT YOU** (Bk 2 of 2), which is the conclusion of Caine & Addison's story of love, sacrifice, and the lengths one will run--and chase--when their past threatens their future. **NOTE:** Each of the four couples in the Unfinished Love series have **TWO** books (duets) that take place years apart. Each duet is a two-part second chance romance, meaning each couple is separated after their first book and reunited in the second book of their duet. As noted in the title, this is **Book ONE** of **TWO**; the second book in this duet reunites this couple seven years later, and concludes their story. The **UNFINISHED LOVE** Series Four brothers. Each fighting for their second first chance at love. Years be damned. (Caine & Addison) -- Book 1 of 2: **Before That Night** -- Book 2 of 2: **Every Night Without You** (Drew & Skylar) -- Book 1 of 2: **Before That Promise** -- Book 2 of 2: **Every Promise Unspoken** (Gabe & Hannah) -- Book 1 of 2: **Before That Kiss** -- Book 2 of 2: **Every Kiss Goodbye** (Max & Kennedy) -- Book 1 of 2: **Before That Chance** -- Book 2 of 2: **Every Chance We Lost**

Unfinished Love #3 Book1 of 2 of Drew & Skylar's duet

From USA Today bestselling author, Shey Stahl, comes a sexy and hilarious romance in her new Ex's and Oh's series of standalones. Love is not simple. I'm friendless. It happens when you discover your best friend has been sleeping with your husband. As if trying to navigate being a single mom and a divorce isn't enough, to complicate my life even more, I can't seem to stay away from the one man who's constantly on my mind. He's arrogant, dangerously handsome, and impossible to ignore. He's also not my husband. He's my son's second grade teacher. Ridge Lucas. Like I said, complicated. Everyone remembers when Ridge left town, but nobody knows his intentions now that he's back and looking for the girl he left behind. Love is complicated. She was the good girl, the town sweetheart. She never once looked my way, despite my efforts to get her attention. Everything I did was to get her to notice me, until she finally did, and I let the chance slip through my hands. She chose the all-star football player over the troubled bad boy. I can't say I blame her. Ten years ago, I left town and turned my world upside down. Now that I'm back, I'm wearing down her defense, and she's questioning everything she thought she knew about love. She's about to find out the good guy isn't always the right choice. Sometimes you need the delinquent with the rebel heart to show just how good bending the rules can be.

Reno Tibljas is like everyone else in the world: he has loved and lost. In his debut collection of poems, he reflects on the beautiful disorder of life and explores the meaning of love. Tibljas leads others down a lyrical path through the peaks and valleys of love in a variety of poems that offer a glimpse into his heart as he searches for his soul mate. While contemplating loneliness, the agony of heartbreak, and the joy of romance, Tibljas illuminates love and loss from different perspectives and times in his life. **Love 's Peaks and Valleys** shares a compilation of poems that passionately explore the many emotions related to love and loss.
