A dangerous way to meet... Sent by her king to seek alliance with a reclusive enclave of fair folk living in the snow lands well north of her home, Lilly is nearly frozen to death in a blizzard before a blinding white presence comes to her rescue. A fabled, dazzling white snow dragon, Shilayla, drags her heartmate, Luc, out beyond the protections of their home to rescue the human caught out in the snow. An even more dangerous task ahead... Luc and Shilayla are tasked with returning with Lilly to her homeland with a message for her king, but they are being hindered by an unseen enemy. A magical whirlwind blows them far off course and in strange lands they encounter other dragons and warriors who help them get back on mission, with the addition of an intensely magical black dragon as guide. Missions thwarted. Missions completed. And new missions only they can take on... Returning triumphant to her king is something Lilly desperately wants, but she also desires to spend more time with Luc. He has quickly stolen a large piece of her heart and she fears she will never get it back from the fair warrior who is too handsome for her peace of mind. Luc is also deeply attracted to Lilly, though he knows any romantic relationship between fey and human is likely doomed from the start. Against their better judgements, they fall in love, but events overtake them and they must battle and take on a new mission - brokering alliances with unexpected players. All the while, they fall deeper and deeper into a forbidden love. Will it end as badly as they both fear, or will some kind of unknown magic rescue their tender hearts?

Two very special knights... Scott and Rik are getting used to working together as a specialized team of commandos within the Castle Lair when they are sent north on a desperate mission. The throne of the Northlands has long been in the hands of usurpers, but now that the rightful heiress has been found - the knights are searching for a way to oust the enemy and put Princess Isabelle on her late father's throne. One very brave woman... Claire is living in a castle under siege, hiding within the secret passages to do her duty and protect the location of the all-important gate. After witnessing the death of her beloved parents, she has stepped up to take their places as guardian of the gate and protector of the kingdom's knowledge. She's saved what she could of the archives and has stepped into her father's role as Gatekeeper, all while remaining hidden within the walls of the castle. Three who are destined to become one... Even in her isolation, Claire has found a way to make allies - just in time, since every day, the enemy draws nearer to discovering the secret she is guarding. When she meets the knights, the attraction is instantaneous, but the danger is even more imminent. When Claire is captured by the enemy, it'll be up to Scott and Rik to storm the castle and free their lady love. They hope to claim her and make a family...if they all live through the perilous times ahead.

Love flourishes when two knights unexpectedly find the woman of their dreams... Sir Robert finds a beautiful maiden sobbing by a small waterfall. When she invites them to shelter from the rain in her barn, they accept, using her place as a vantage point for their surveillance of the town below. Both knights are drawn to the fair maiden. Could she be the one to share their lives? Their dragon partners certainly think so. When they discover a treasonous plot in the village, they must act quickly. Will they be in time to stop the enemy from gaining a strategic foothold in their land? And will they be able to protect the woman who has become precious to them, even while the battle rages? One dragon to play matchmaker...two knights to serve a lady's every pleasure. When the call to arms goes out, the dragon Golgorath is the first to take to the skies. Until he finds a knight to equal his heart and fighting skill, Rath flies alone while his mate must wait for her knight, Thorn, to climb on her back. The battleground is a familiar one, an old keep, a noble house without a patriarch, under attack from the evil, snake-like skiths. Lady Cara can fight, but knows better than to try to lead men. With her brother wounded, she relies on her new Master at Arms, Tristan. He is a mysterious, recklessly brave foreigner who can never be hers, as she is to be married off to the highest bidder. Amidst the battle, Rath spies the warrior doing the impossible—slaying a skith single-handed. Rath realizes fate may have just stepped in to help both dragons and men. In Tristan, Rath sees a man worthy of being his knight and, together with Thorn, win Lady Cara's heart into a triad of love. If Tristan's loyalties can first be won by dragonkind.
