She's also the shining star of Diana Rowland's exciting debut novel, Mark of the Demon. Sarcastic and witty, Kara is just flat-out-fun to read, and she's so refreshingly real and layered, such a nice change from the leather-clad, kick-ass, superhuman, biker-type heroines of most urban fantasy series that I found myself pitching headfirst into this book, unable to put it down until the wee wee hours of the morning, after finishing every delicious page.

D. The very best friend anyone could ask for, sadly no longer with us.

On the edge of the Louisiana bayou, Officer Kara Gillian finds evidence that the Symbol Man--a serial killer with the ability to inhabit multiple bodies--is back. Her determination to crack the case is tempered only by her special understanding as a demon summoner. Is she the lead investigator, or the reason the killer is stalking her parish? Original.

Horror meets humorous urban fantasy in first book of the White Trash Zombie series • Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards Angel Crawford is a Loser. Living with her alcoholic deadbeat dad in the swamps of southern Louisiana, she's a high school dropout with a pill habit and a criminal record who's been fired from more crap jobs than she can count. Now on probation for a felony, it seems that Angel will never pull herself out of the downward spiral her life has taken. That is, until the day she wakes up in the ER after overdosing on painkillers. Angel remembers being in a horrible car crash, but she doesn't have a mark on her. To add to the weirdness, she receives an anonymous letter telling her there's a job waiting for her at the county morgue—and that it's an offer she doesn't dare refuse. Before she knows it she's dealing with a huge crush on a certain hunky deputy and a brand new addiction: an overpowering craving for brains. Plus, her morgue is filling up with the victims of a serial killer who decapitates his prey—just when she's hungriest! Angel's going to have to grow up fast if she wants to keep this job and stay in one piece. Because if she doesn't, she's dead meat. Literally.

Horror meets humorous urban fantasy in second book of the White Trash Zombie series • Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards Angel Crawford is finally starting to get used to life as a brain-eating zombie, but her problems are far from over. Her felony record is coming back to haunt her, more zombie hunters are popping up, and she's beginning to wonder if her hunky cop-boyfriend is involved with the zombie mafia. Yeah, that's right—the zombie mafia. Throw in a secret lab and a lot of conspiracy, and Angel's going to need all of her brainpower—and maybe a brain smoothie as well—in order to get through it without falling apart.

Investigating the theft of an old samurai sword forged by a legendary smith who infused the weapon with magical powers, Tokyo police officer Mariko Oshiro finds herself threatened by the power of the blade in unexpected ways.

The murder of a Southern literary icon sends Annie Darling's seaside town spinning in New York Times bestselling author Carolyn Hart's 25th Death on Demand Mystery... Bookstore owner Annie Darling is hosting a party to celebrate former Broward's Rock resident Alex Griffith and his bestselling new novel, Don't Go Home. But after the local paper announces that Griffith aims to reveal the real-life inspirations behind his characters, perhaps the author should take his own advice. Not everyone in town is ready to give him a glowing review. As Annie attempts damage control, her friend Marian Kenyon gets in a heated argument with Griffith. It's a fight Annie won't soon forget--especially after the author turns up dead. Despite an array of suspects to match Griffith's cast of characters--and a promise to her husband, Max, to steer clear of sleuthing--Annie's not about to let the police throw the book at her friend when the real killer remains at large...

She's as tough as anything haunting Chicago's streets. But to deal with an inhuman power that won't stay buried, this FBI agent needs help that comes at an immortal price. . . Jackie Rutledge has seen her share of supernatural killers. But her latest murder case is what recurring nightmares are made of. Brutally exsanguinated human victims, vanishing-into-the-ether evidence, and a city on the edge of panic mean that she and her psychic partner, Laurel, are going to need more than just backup . . . So Jackie is fine with any help rugged P.I. Nick Anderson can give--even if that includes the impish ghost and sexy vampire who make up his team. But Nick is hiding secrets of his own. And Jackie's investigation has plunged them both into a vengeful game reaching back centuries--and up against a malevolent force hungry for more than just victory. . . "Bloody, delicious, twisted." --Lilith Saintcrow, New York Times bestselling author of the Jill Kismet, Hunter series "A very impressive debut. . . the earthly and the unearthly mingle horrifyingly in this brand new twist on vampire mythology." --John Russo, author of Undead "Duncan's deftly subtle debut creeps up on you like a ghost in the night." --Mark Henry, author of Happy Hour of the Damned

From the acclaimed author of the Morgan Kingsley, Exorcist books comes the gripping first novel in a new series about a private eye who discovers, to her surprise, that she's an immortal huntress. Nikki Glass can track down any man. But when her latest client turns out to be a true descendant of Hades, Nikki now discovers she can't die. . . . Crazy as it sounds, Nikki's manhunting skills are literally god-given. She's a living, breathing descendant of Artemis who has stepped right into a trap set by the children of the gods. Nikki's new "friends" include a descendant of Eros, who uses sex as a weapon; a descendant of Loki, whose tricks are no laughing matter; and a half-mad descendant of Kali who thinks

she's a spy. But most powerful of all are the Olympians, a rival clan of immortals seeking to destroy all Descendants who refuse to bow down to them. In the eternal battle of good god/bad god, Nikki would make a divine weapon. But if they think she'll surrender without a fight, the gods must be crazy. . . .

Horror meets humorous urban fantasy in the sixth book in the White Trash Zombie series • Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards Angel Crawford has finally pulled herself together (literally!) after her disastrous dismemberment on Mardi Gras. She's putting the pieces of her life back in order and is ready to tackle whatever the future holds. Too bad the future is a nasty bitch. There's a new kind of zombie in town: mindless shamblers, infectious and ravenous. With the threat of a full-blown shambler pandemic looming, and a loved one stricken, Angel and the "real" zombies scramble to find a cure. Yet when Angel uncovers the true reason the plague is spreading so quickly, she adds "no-holds-barred revenge" to her to-do list. Angel is busting her ass dealing with shambling hordes, zombie gators, government jerks, and way too many mosquitos, but this white trash chick ain't giving up. Good thing, since the fate of the world is resting on her undead shoulders.

"Gripping and believable...you can almost smell the streets of 14th-century York as you delve deeper into an engrossing plot." —PRIMA In the year of our Lord 1369 the much-loved Queen Philippa lies dying in Windsor Castle, the harvest has failed, and the pestilence has returned. In York, the atmosphere of fear and superstition is heightened by a series of thefts and violent deaths at St. Leonard's Hospital, as well as rumors that these crimes are connected to the hospital's dwindling funds. The Master of St. Leonard's, Sir Richard Ravenser, hurries north from the queen's deathbed to summon Owen Archer, soldier-spy, to investigate the scandal before it ruins him. While his wife Lucie faces the plague-

panicked townsfolk at the apothecary, Owen encounters a seemingly random series of clues: a riddle posed by one of the victims at the hospital, a lay sister with a scandalous past, the kidnapping of a child from the hospital orphanage, and a case of arson. The answer to the riddle of St. Leonard's lies in the past, and as Owen's family is caught up in the sweep of the pestilence, he must abandon them to race across the countryside to save the next victim.

A 1930s housekeeper stars in “an Agatha Christie–like whodunit with touches of Olde World England and a soupçon of romance” (Booklist). In its three-hundred-year history, there has never once been a scandal at Mullings, ancestral home of the decent but dull Stodmarsh family. Until, that is, Edward Stodmarsh makes an ill-advised second marriage to the scheming Regina Stapleton, who insists on bringing her family's “ornamental hermit” to live on the estate. Suddenly everyone wants to visit Mullings to glimpse this mysterious figure. Strange but harmless, thinks Florence Norris, the family's longstanding housekeeper. But events take a sinister turn with the arrival of sudden, violent death—and suddenly the hermit doesn't seem so harmless after all... “Fans of mannered English mysteries will likely not be disappointed.”—Chicago Tribune “Strong characters...this mix of romance and crime will appeal to a wide range of readers.”—Booklist
