Master of the Dark Side is the second novella in this series so far. Normally I don't like novellas because I feel like too much of the story is missing, and the relationship doesn't progress as naturally as it should because of the contracted timeline, but I have yet to dislike any book by Cherise Sinclair! She is that good.

Ancient symbol of the dark side of the Force. The dark side of the Force, also known as Bogan, was one of two methods of using the Force. To tap into the power of the dark side was to indulge in raw emotions such as aggression, fear, anger, hatred, and passion. The Sith were well known practitioners of the dark side, and were the mortal enemies of the Jedi, who served the will of the Force and thus the light side.
