What is 360 Degree Feedback?
Companies use 360 degree
feedback as a development
tool and performance
appraisal tool. What 360
feedback surveys do not
measure includes performance
objectives, meeting basic
job requirements, and basic
skills. What the 360 degree
feedback system does is help
companies get a better
understanding of their
leaders' and managers'
strengths and weaknesses.

Feedback Strategies. Most
people recognize 360-degree
feedback as a tool for
individual development.
While it is possible to run
a 360 purely for individual
development-this is the
classic purpose behind most
360s-it is also common for
there to be additional
organizational objectives
behind the assessment.
