Modernization and Postmodernization: Cultural, Economic

...

Inglehart argues that during the Modernization phase a society undergoes economic, cultural, and political changes. "Economic development is linked with a syndrome of changes that includes not only industrialization, but also urbanization, mass education, occupational specialization, bureaucratization, and communications development, which in turn are linked with still broader cultural, social, and political changes" (8).

Modernization and Postmodernization: Cultural, Economic

...

Ronald Inglehart is one of the very few scholars to have remained consistently engaged with both the study of political culture and the development of modernization theory over the past few decades. In *Modernization and Postmodernization*, he presents the cumulative results of decades of research on the interrelationships among cultural values, democracy, and capitalism.

Modernization and Postmodernization – Cultural, Economic ...

Pp. x, 453. \$60.00. \$18.95, paper.) *Modernization and Postmodernization* is Ronald Inglehart's most convincing demonstration of the theory of intergenerational value change, the cornerstone of his scholarship. This theory of cultural change in societies, now almost thirty years old, paints a picture of relative intragenerational value stability, with the possibility of slow, but significant cultural dynamism over time through intergenerational population replacement.

Modernization and Postmodernization: Cultural, Economic ...

Ronald Inglehart argues that economic development, cultural change, and political change go together in coherent and even, to some extent, predictable patterns. This is a controversial claim. It implies that some trajectories of socioeconomic change are more likely than others - and consequently that certain changes are foreseeable.

Modernization and postmodernization : cultural, economic ...

Based on the University of Michigan's long-running and massive World Values Survey, this book provides substantial empirical support for the concept of modernization -- that is, that economic, social, and political development are linked in coherent ways and that all societies undergoing modernization tend to follow certain consistent trajectories. While eschewing deterministic or linear theories of historical development, Inglehart notes that virtually all highly
