Clinically Oriented Anatomy: Amazon.co.uk: Keith L. Moore ...

Moore ' s Clinically Oriented Anatomy has established itself as one of the pre-eminent books in the field of human anatomy primarily because of the widely acclaimed clinical correlations. Visually, the material has evolved over the past 30 years as imaging and art rendering technology improved. This, however, resulted in a less-than-ideal collection of visual material as various styles, color palettes and artistic techniques were introduced into the text over time.
