Recollecting History beyond Borders looks closely at the experience of Moroccan captives, acrobats and dancing women in America throughout various historical periods. It explores the mobility of Moroccans beyond borders and their cultural interactions with the American self and civilization, and offers a broad discussion on the negotiation of the complex dynamics of representation and on the various discursive ramifications of the cultural contacts initiated by ordinary Moroccan travellers. Hip-hop evangelism--a compelling look at a rap subgroup that explores its musical, social, and political contexts.

What is the S.E.L.F.? The S.E.L.F. is the sacred eternal life force, which is the spark that in turn gives birth to the S.O.U.L, which is the space of unlimited light. There is no man above or beneath in essence, however, there are those great Avatars who willingly descend into this Third Density for a Five-Fold Purpose: To Elevate, To Protect, To Inform, To Uplift, and To Inspire. This work was compiled for the sole purpose of helping cleanse the "Throne of God," which is your consciousness that is housed and functions via your beautiful Mind, Body, and Soul. This is not an attempt to convince or condemn anyone nor anything, except the falsehood which are the results of lower-self vibratory frequency. Love cannot be destroyed, Truth cannot be hidden, Peace cannot be disturbed, Freedom won't be caged, and Justice finds All. Wa Alaikum As Salaam and Honors to the Prophet, Sheik Shariff Abdul Ali. Islam.

Shalom, hotep and 13Ahavah to all who bliss this works with your precious attention and focus. It is my sincere hope and will that this compiled work of divine and right knowledge will elevate, protect, inform, uplift and inspire you to a better existence and future. This information has been hidden from my people for too long but now is the time of great revealing so that we may free ourselves from the shackles of bondage and be resurrected from mental death and live as we were always meant to, which is in harmony with our consanguinity and true customs and culture: Love, Truth, Peace, Justice and Freedom for All. This level of scholarship is brought to you by Th Elders of the Moors Order of The Roundtable, just a few of the loyal and Faithful Moors who carryout and embody what it is the Prophet Noble Sheik Sharif Abdul Ali A.K.A. Drew Ali uncovered and brought back to the Asiatics of Th North Gate/ North-West Amexem/North-West Afrika. May Th Divine will of Allah light Th flame of your consciousness and revive Th ancestral greatness of thy pedigree. All is well and well is all. ~ Bro. Mafuz El Bey

Star-studded walks around one of Britain's most diverse and surprising districts.

An irresistible tome from the insurrectionist theoretician, Hakim Bey. His incendiary words are beautifully illustrated by the renowned collage artist Freddie Baer. The result is a delightful compilation by two talented artists. A must read for those who have followed their work for years. In this collection of essays, Bey expounds upon his ideas concerning radical social reorganization and the liberation of desire. Immediatism is another lyrical romp through intellectual corridors of spirituality and politics originally set forth in his groundbreaking book, TAZ. A stunning achievement from this prodigious author and scholar. "A Blake Angel on Acid."--Robert Anton Wilson "Fascinating..."--William S. Burroughs "Exquisite..."--Allen Ginsberg

Since man has known himself and became conscious of death, the greatest wish of all has been to become immortal. Such desire led many in the quest for magic sources of eternal youth in nature, magic, religion and art, but also blood drinking rituals. For others, immortality had to be conquered, with wars, empires, ruthless or brave leaderships, and, in most recent years, with the manipulation of the public opinion and use of hypnosis. True Immortality, however, isn't something that we should be searching outside of ourselves but within. One can put his name in history through a huge variety of deeds, good or bad, but a name is just an illusion, just like our identity and personality are as well. The true and only immortal element in a human is his spirit, which by impersonating different entities and expressing himself through different souls, travels through time, from one reality to another, in a never ending cycle of life and death. It is the spirit that becomes the master and the disciple, the king and the slave, the man and the woman, the strong and the weak, the loved and the hated, in order to truly develop a clear perspective of self and learn to discard the ego, while expressing a contradiction inside the drama that is life. In this drama, some times he represents what he fears, and other times who imposes that fear, as well as the one that receives the most and the one that offers plenty. The conscience of self is immortal and never ceases expanding. Knowing that we are immortal and gaining conscience about it is the purpose of this book, which intends to describe the path to such state of mind.
