When we first started, my husband once pinched my ears and gave one slap into my face, but that was the one and only one. We talked and decided not to let that happen again. And he once spanked my bottom to bright red until I cried. It never happened again. I wasn't aware till now, that I was spanked for three times by my husband this year.

A GOOD MORNING AMERICA BOOK CLUB PICK “ Chandler Baker, queen of the feminist thriller, has delivered once again! The Husbands is a poignant exploration of what it would take for women to have it all.” —Sally Hepworth, bestselling author of *The Good Sister* To what lengths will a woman go for a little more help from her husband? Nora Spangler is a successful attorney but when it comes to domestic life, she packs the lunches, schedules the doctor appointments, knows where the extra paper towel rolls are, and designs and orders the holiday cards. Her husband works hard, too... but why does it seem like she is always working so much harder? When the Spanglers go house hunting in Dynasty Ranch, an exclusive suburban neighborhood, Nora meets a group of high-powered women—a tech CEO, a neurosurgeon, an award-winning therapist, a bestselling author—with enviably supportive husbands. When she agrees to help with a resident ’ s wrongful death case, she is pulled into the lives of the women there. She finds the air is different in Dynasty Ranch. The women aren ’ t hanging on by a thread. But as the case unravels, Nora uncovers a plot that may explain the secret to having-it-all. One that ’ s worth killing for. Calling to mind a *Stepford Wives* gender-swap, New York Times bestselling author of *Whisper Network* Chandler Baker's *The Husbands* imagines a world where the burden of the “ second shift ” is equally shared—and what it may take to get there. “ Utterly engrossing and thoroughly timely, *The Husbands* is both a gripping, well-crafted mystery and an insightful critique of motherhood and marriage in the modern age--working mothers everywhere will feel seen in the best possible way. ” —Kimberly McCreight, New York Times bestselling author of *A Good Marriage*

A collection of essays accompanied by beautiful black-and-white photography from a diverse group of women on the moment they realized they were ready to fight for themselves—including Gloria Steinem, Lena Waithe, Joanna Gaines, Brandi Carlile, Beanie Feldstein, Cynthia Erivo, and Billie Jean King, among others. This powerful essay collection is a natural extension of the #MeToo movement, revealing the interior experience of women after they ’ ve inevitably been underestimated or hurt—the epiphany that the world is different than they thought it to be—and how they ’ ve used this knowledge to make change. In *My Moment*, Gloria Steinem tells the story of how a meeting with writer Terry Southern drew blood. Carol Burnett shares how CBS discouraged her from pursuing *The Carol Burnett Show*, because comedy variety shows were “ a man ’ s game. ” Joanna Gaines reveals how coming to New York City as a young woman helped her embrace her Korean heritage after enduring racist bullying as a child. Author Maggie Smith details a career crossroads when her boss declined her request to work from home after the birth of her daughter, leading her to quit and never look back. Over and over again, when told “ no ” these women said “ yes ” to themselves. This hugely inspiring, beautiful book will move people of all ages and make them feel less alone. More than the sum of its parts, *My Moment* is also a handbook for young women (or any woman) making

their way through the world.

"From the author of *The River at Night* and *Into the Jungle* comes a harrowing new thriller as a linguist, broken-hearted after the apparent suicide of her glaciologist brother, ventures hundreds of miles north of the Arctic Circle to try to communicate with a young girl who has thawed from the ice alive"--

They say nothing compares to your first kiss, But our first kiss was orchestrated for an audience. Our second kiss . . . that one was REAL. He cradled my face like he was terrified he'd f*ck it up. He stared into my eyes until the air buzzed. Soft and slow, full of sighs and little laughs, He inhaled me like I was the finest Belgian chocolate, And he'd never get another piece. A nip of his teeth, his hand at my waist . . . And I was lost. I forgot he was paying me to be his fake fiancée. I forgot we weren't REAL. Our kiss was pure magic, and before you laugh and say those kinds of kisses don't exist, Then you've never touched lips with Max Kent, the hottest quarterback in college history.
