We were destined for disaster from the second we met ...Massimo D'Agostino is the heir to his father's empire. Don't be fooled by his handsome face, or that piercing blue gaze. He's no prince charming. He's dangerous and feared, possessive and fierce. Our first meeting began with a contract that forced me to marry him and sign my life away. I was a debt repayment and a pawn in his game to exact revenge against my father. The only way out is death. I belong to him now. Me, the Balesteri Mafia Princess. Pure and untouched...Owned by the devil who placed me in a gilded cage. But something unexpected happened the moment our paths collided. It made me want more of what he had to offer every time I lay beneath him. Then the past came knocking at the door and dark secrets scattered at my feet. Suddenly I don't know truth from lies. Or, who the monster in this story is. I thought it was my husband. Now I'm not so sure...

I trusted my heart to a vampire. Now I want revenge . . . The vampires are at war, and I'm caught in the middle. I thought nothing could surpass my desire for Nic's dark, dangerous charms, but with my father

dead from the fangs of our enemy, everything has changed. I'm consumed with the need to seek vengeance. Suddenly, I realize what I must do. I ask Nic to change me. He forbids it. He tells me the change must be made for the right reason. For love. And avenging my father isn't the right reason. But with our enemy closing in fast, I'm angry enough to defy Nic and fight this war my way, no matter what the consequences.

New York Times and USA Today bestselling author Gaelen Foley invites you to reenter London's infamous, scandalous Inferno Club in *My Dangerous Duke*—the story of a haunted aristocrat sworn to a secret, noble cause and the abducted beauty who thaws his icy heart. Historical romance superstar Julia Quinn calls Gaelen Foley, "Always fabulous," and *My Dangerous Duke* once again proves it so.

Mistaken for her cousin Claire, beautiful, innocent Angeline Fortin is abducted from her home outside New Orleans by Prince Rolfe of Ruthenia, who believes she witnessed his brother's murder--and who steals her innocence. Original.

In this dazzling first novel featuring the Knight family, bestselling author Gaelen Foley writes an elegant, emotional story that touches the heart and soul. Driven to uncover the truth about the mysterious death of his ladylove, the Duke of Hawkscliffe will go to any lengths to unmask a murderer. Even if it means jeopardizing his reputation by engaging in a scandalous affair with London's most provocative courtesan—the desirable but aloof Belinda Hamilton. Bel has used her intelligence and wit to charm the city's titled gentlemen, while struggling to put the pieces of her life back together. She needs a protector, so she accepts Hawk's invitation to become his mistress in name only. He asks nothing of her body, but seeks her help in snaring the same man who shattered her virtue. Together they tempt the unforgiving wrath of society—until their risky charade turns into a dangerous attraction, and Bel must make a devastating decision that could ruin her last chance at love. . . .

Lady Philippa Knolles has loved Captain Thomas "Dash" Dashwell since he first stole a kiss from her on a smuggler's beach near Hastings. Now after what seems like a lifetime of waiting, Pippin is offered a chance to renew her scandalous affair with Dash. But the man from that first heady kiss and the man she rediscovers all these years later are hardly the same. Tucked away in the back of her closet is a red dress, the one she wore long ago to win his heart Could it have enough memories left inside it to rekindle a passion she's never forgotten?

This book is about baby-making. "You will be the mother of my children," said the man in a commanding tone. His shameless words rendered Emmelyn speechless and shocked, more so, than the kiss he landed on her lips earlier. "I need three children from you." "Eh ... wait.. what? Hold on a minute," Emmelyn, who was moved from her shock, hurriedly rubbed her lips roughly as if trying to

remove the devil's marks from them. "I don't want to be your wife! I don't want to marry you, you devil!!" The man frowned and squinted his eyes menacingly. "Who said anything about marriage?" THE NEXT DAY "Let's go," said the prince. "Let's go where?" Emmelyn asked, not understanding. "Let's go make babies." *** SYNOPSIS: The crown prince was cursed on the day he was born, that he will never be happy. What's worse, no woman could touch him without dying. Thus, finding a wife to produce an heir became the royal family's greatest challenge since the prince is the only son. Until one day.. A slave girl who tried to kill him didn't end up dying after they touched. Emmelyn was a princess from one of their colonies who vowed to avenge her family's death by killing the crown prince.. And that's how she ended up in his castle. Seeing that she was the only woman he could have sexual relationship with, without killing her, the prince made an agreement to let her go and free her kingdom from his oppression if she produced for him three heirs. Emmelyn said yes, but every day that they were together, she made plans to kill him and get her revenge. Can Emmelyn get what she wanted, or would she be entangled deeper with the enemy who was deemed as the devil incarnate himself by his enemies? *** CHECK OUT MY OTHER BOOKS: - The Cursed King - ONGOING - Finding Stardust - COMPLETED - The Alchemists - COMPLETED - The Prince Who Cannot Fall In Love - COMPLETED - Till Death Do Us Part - COMPLETED I DON'T DO SLOW BURNS.
