#1 in the Saxon mystery series. Introducing L.A.-based private eye Saxon. A transplanted Easterner trying to make it as an actor, Saxon stays solvent (and sane) between roles by running an investigating agency. When someone takes a potshot at famous pulp detective writer Buck Weldon, Saxon agrees to help—especially after meeting Weldon's tall blonde daughter. Turns out, the writer's enemy list is longer than some of his novels and is headed by his agent, his publisher, and one of the biggest producers in Hollywood. Baffling leads involve a major cocaine dealer and a professor specializing in private eye literature. Saxon's investigation takes him from Westwood to Palm Springs and back to the San Fernando Valley before its violent culmination in a backwater Mexican village on the Baja peninsula.

This compact commentary looks at the Bible as a whole--then shows how all its books fit into the grand picture.

Time has sealed the reputation of Matthew Henry's classic commentary as a rich source of insight into God's word. Four centuries after its first publication, it remains one of the best-loved, most popular commentaries ever written. However, while its wisdom is timeless, the English language has changed much through the years. Words that meant one thing in Matthew Henry's day have taken on different meanings today. In addition, Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers. The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns. It delivers the heart and soul of Henry's incomparable writings in a style that is easy to read and understand. -Dr. Leslie Church's meticulous abridgment retains the essential content of the original work. - Easily misunderstood words have been replaced with modern ones while keeping Henry's style. - Use of the New International Version (NIV) instead of the King James Version makes this edition fully compatible with today's most widely used Bible translation. In one volume, here is a wealth of exposition, metaphors, analogies, and illustrations, ideal for - Personal devotions - Bible study - Sermon and lesson preparation
