These documents include the Nursing: Scope and Standards of Practice, 3rd Edition (ANA, 2015a), and the Code of Ethics for Nurses With Interpretive Statements (ANA, 2015b). Although these documents guide overall nursing practice, specialty organizations create the scope and standards of practice to guide specialty practice. The specialty scopes and standards build on the foundational ANA documents and define the who, what, when, why, and where of the specialty practice (Harper & Maloney
