Gender oppression has been a feature of war and conflict throughout human history, yet until fairly recently, little attention has been devoted to addressing the consequences of violence and discrimination experienced by women in post-conflict states. Thankfully, that is changing. Today, in a variety of post-conflict settings—the former Yugoslavia, Afghanistan, Colombia, Northern Ireland ...

On the Frontlines : Gender, War, and the Post-Conflict ...

Abstract. Our book, *On the Frontlines*, gives a comprehensive overview of the post-conflict terrain as it is experienced by women across multiple jurisdictions and in the wake of numerous conflicts. In creating and applying the concept of gender centrality the book addresses how gender can be made central to a range of post-conflict processes, and in so doing how the experiences of marginality and exclusion for women can be structurally and substantively addressed.
