Twelve days and counting... It's Bea's first Christmas with her baby son, and this year she's determined to do everything right. But there is still so much to do: the Christmas menu needs refining; her café, The Honey Pot, needs decorating; and she's invited the whole neighbourhood to a party on Christmas Day. She really doesn't have time to get involved in two new people's lives, let alone fall in love... When Olivia gets knocked over in the street, however, Bea can't help bringing her into The Honey Pot and getting to know her. Olivia's life is even more hectic than her own, and with her fiancé's entire family over from Ireland for Christmas, she shouldn't be lingering in the cosy warmth of Bea's café. Chloe, on the other hand, has nowhere else to go. Her affair with a married man has alienated her friends, and left her lonelier than ever. But Christmas is a magical time, and in the fragrant atmosphere of The Honey Pot, anything can happen: new friends can be made, hearts can heal, and romance can finally blossom...

It turns out that Amy is a book jumper, able to leap into a story and interact with the world inside. When, one day, she finally musters the courage to introduce herself, the chemistry between them is undeniable: Thomas is wise, witty, handsome, mysterious, clearly a kindred spirit. There's just one tiny problem: He's dead. Stuck in a surreal limbo governed by bureaucracy, Thomas is unable to "cross over" to the afterlife until he completes a 90-day stint on earth, during which time he is forbidden to get involved with a member of the living -- lest he incur "regrets." When Thomas and Rachel break this rule, they unleash a cascade of bizarre, troubling consequences. Set in the hallucinatory borderland between life and death, *The Regrets* is a gloriously strange and breathtakingly sexy exploration of love, the cataclysmic power of fantasies, and the painful, exhilarating work of waking up to reality, told with uncommon grace and humor by a visionary artist at the height of her imaginative power.

From the bestselling author of *The Bookshop of Yesterdays* comes a captivating new novel about a priceless inheritance that leads one family on a life-altering pursuit of the truth. The Millers are far from perfect. Estranged siblings Beck, Ashley and Jake find themselves under one roof for the first time in years, forced to confront old resentments and betrayals, when their mysterious, eccentric matriarch, Helen, passes away. But their lives are about to change when they find a secret inheritance hidden among her possessions—the Florentine Diamond, a 137-carat yellow gemstone that went missing from the Austrian Empire a century ago. Desperate to learn how one of the world ' s most elusive diamonds ended up in Helen ' s bedroom, they begin investigating her past only to realize how little they know about their brave, resilient grandmother. As the Millers race to determine whether they are the rightful heirs to the diamond and the fortune it promises, they uncover a past more tragic and powerful than they ever could have imagined, forever changing their connection to their heritage and each other. Inspired by the true story of the real, still-missing Florentine Diamond, *The Imperfects* illuminates the sacrifices we make for family and how sometimes discovering the truth of the past is the only way to better the future.
