Three Simple Steps: A Map to Success in Business and Life ...  
The three simple steps he proposes are sound, and dovetail nicely into the mindfulness principles I have been implementing in my life. It essentially boils down to a positive emphasis (emphasizing what you are for, not what you are against), mindfulness, and creating a self-fulfilling prophecy in your life by creating what he calls intentions (goals) and growing into them as life progresses.

The Three Simple Steps has no real new ideas, but these ideas are put in terms that make them easy to understand and to put into practice and that is its true brilliance. I have read numerous self help books in the last twenty of thirty years and non of them put the basics in such terms that allow you to follow them.
