Your channel is by far the best resource I found. ... Hundreds more videos for the content taught in Year 13, past paper solutions and practical endorsement advice ...

A Level Physics Online

arXiv (pronounced "archive"—the X represents the Greek letter chi [χ]) is an open-access repository of electronic preprints (known as e-prints) approved for posting after moderation, but not full peer review. It consists of scientific papers in the fields of mathematics, physics, astronomy, electrical engineering, computer science, quantitative biology, statistics, mathematical finance and ...

This book was written by experienced practitioners for an increasingly popular course. It includes actual examination questions giving students plenty of practice to help develop exam technique. It also includes ICT activities for full support in developing statistics in this media. This book is fully differentiated to provide for all course and coursework requirements for Foundation and Higher Tiers. Review sections in every chapter are ideal for revision and consolidation of learning.

With My Revision Notes: AQA A Level Physics you can: - Manage your own revision with step-by-step support from experienced teacher and examiner Keith Gibbs - Apply biological terms accurately with the help of definitions and key words - Plan and pace your revision with the revision planner - Test understanding with questions throughout the book - Get exam ready with last minute quick quizzes available on the Hodder Education website

A concise well-organised text with well-annotated study diagrams.
