MY NAMEDAY—COME FOR DESSERT, which was first published in 1962, is an invitation to parents to celebrate the family's namedays. It contains the names, feasts, and symbols of our Blessed Mother and the saints, prayers of the liturgy, and appropriate desserts for the celebration of the sanctoral cycle of the Church year in the home. A nameday commemorates the feast of the saint whose name we received at baptism. To the Church's mind, the day of

the saint's death is his real feastday, and that is the day usually assigned as his feast—his birthday into heaven. In some countries and in most religious orders it is customary to observe namedays instead of birthdays. On a child's nameday, "My Nameday—Come for Dessert" is a popular way to entertain. It is economical, festive and meaningful, and permits the family to splurge on a fabulous dessert without inflicting lasting wounds on the budget. It can be a "little evening"—a time for a party and a prayer for the child in the company of his friends, a time for pleasant conversation for the grown-ups who accompany them.

outdoor learning and the decline of opportunities for educational opportunities outside the classroom; the barriers that deter schools from teaching outside the classroom, including perceptions of risks in school trips, the resources and curriculum time available for such trips, availability and costs involved; policy options for the Department for Education and Skills to help encourage schools improve and expand provision for outdoor learning; and funding implications. The Committees recommendations include that the DfES should issue a Manifesto for Outdoor Learning which gives all students the right to outdoor learning and which should attract a similar funding level to the music manifesto (around £30 million) in order to
