With the introduction of our Easy Folded Star Hot Pad we have revolutionized the way to make a folded star hot pad. Add together our new method, use modern quilting tricks, with great new fabrics and the result is a fun, easy project anyone can make.

PlumEasy
This revolutionary way to make a folded star hot pad was created to speed up making these projects, and to give consistent, accurate spacing without measuring. The stencil can be used for any pattern using an 8-pt star with 90 and 45 degree alignment. The stencil also makes an EasyStar block with the use of prairie points, in five different sizes. It features 22.5 degree marks for varying placement of fabric as well.
