Positive Coaching: Building Character and Self-Esteem ...

It's within coaches' power to prep young athletes to be willing to commit to positive change. This isn't just about improving athletic skills — it spills over to character change as well. Coaches who use positive reinforcement lead to young people who are more likely to be open to constructive criticism and suggestions for improvement. Athletes whose coaches focused on their weaknesses are less inclined to make a lasting behavior change.

How to Build Character Through Positive Coaching

Positive Coaching is jam packed with information for coaches in any sport. The book includes over 200 coaching recommendations on specific psychological, motivational, and behavioral situations. There is a special focus on the coach as storyteller -- 50 motivational stories can be used to develop strong communication with athletes.
