Lord, Increase me Today, is a inspirational book that will help increase your life. We all want to find a way to be our best and please God. On a daily basis, so many of us struggle with getting our lives on the right path for success. This happens because we try to do everything ourselves. Other times this happens because we choose to not trust God totally. This book will encourage you to get on the right path that God intended for you to be on so that you can fulfill your purpose, and live your best life. These 17 principles will help you to see all that God has stored up for you.

LIFE IS A BATTLE, AND WE ARE ALL SOLDIERS.

Having access to earning a raise is something that we would all love to have. Mistakes are always made when asking for a raise at work. With these principles, I can guarantee you that if you practice them, only two things can happen: You get a promotion at your current place of employment, or someone else will discover your worth! I hope after reading this, you can start your journey towards increasing your fortune! With Love, Ana Sweet

For Writing Aficionados from All Walks of Life This book is based on a simple but powerful observation: Students and young professionals who develop outstanding writing skills do so primarily by mastering a limited number of the most important writing principles, which they use over and over again. This statement begs the question: What are these recurring principles? The answer to this question is the basis of this material. "The Little Red Writing Book" is especially suitable for high school students wanting to master the basics of expository writing. It is also suitable for college students seeking a review of basic writing skills. A wealth of examples, charts, and engaging exercises makes this book an invaluable guide for anyone who wants to master those skills that will make a good writer even better. Brandon Royal is an award-winning writer whose educational authorship includes "The Little Gold Grammar Book, The Little Red Writing Book Deluxe Edition, The Little Green Math Book, The Little Blue Reasoning Book," and "Reasoning with Numbers." During his tenure working in Hong Kong for US-based Kaplan Educational Centers a Washington Post subsidiary and the largest test-preparation organization in the world Brandon honed his theories of teaching and education and developed a set of key learning principles to help define the basics of writing, grammar, math, and reasoning. A Canadian by birth and graduate of the University of Chicago's Booth School of Business, his interest in writing began after completing writing courses at Harvard University. Since then he has authored a dozen books and reviews of his books have appeared in "Time Asia" magazine, "Publishers Weekly, Library Journal of America, Midwest Book Review, The Asian Review of Books, Choice Reviews Online, Asia Times Online," and About.com. Brandon is a five-time winner of the International Book Awards, a five-time gold medalist at the President's Book Awards, as well as a winner of the Global eBook Awards, the USA Book News Best Book Awards, and recipient of the 2011 Educational Book of the Year award as presented by the Book Publishers Association of Alberta. The articulate exposition of Royal's twenty principles of writing fit neatly into 128 short, accessible (paperback) pages. I recommend this wonder to all my writing students. Perhaps one day writing committees will wisely follow suit and make this a primary text for all writing courses at their schools. --Ray Turner, B.A., MA (Communications), Writing Instructor and Former Educational Administrator, Corpus Christi TX, USA

Right Risk is about taking more deliberate and intentional risks in an increasingly complex world. It is about all the things that happen to you when you are planning for, engaging in, or running from, a risk. It aims to answer such questions as: How do I know which risks to take and which to avoid? How do I balance the need to take more risks with the need to preserve my safety? How do I muster up the courage to take risks when it is so much easier not to? How do I confront all those people who keep telling me what a mistake it would be to take the risk? And, most importantly, How do I make risk-taking less of an anxiety-provoking experience? (You'd probably take more risk if you just plain enjoyed it more, right?)

Pastor Martin began his ministry work at Crenshaw Christi an Center in Los Angeles, CA where he was Born Again in 1975. In 1977 his training was completed as a Counselor and in the years that followed, many were counseled in the Word of God, in the area of receiving Christ as savior, receiving the Holy Spirit, Assurance of Salvation and Basic Christian Doctrine. These "mini-teaching sessions were invaluable in providing a foundation of Christian stair steps to maturity." In 1980 Mr. Martin enrolled at Conflirmed Word Christian Bible College and was first Ordained in 1982 at his home church in Los Angeles: Song of Solomon Ministries. As Associate Pastor and Administrator of The Evangelistic Rescue Ministries, Pastor Martin was Ordained again in 1987. A wise Evangelist advised me to get Paperwork from several organizations because you never know when you will be in a remote area of the world where people will only honor paperwork from their own, he said. In 1992 Pastor Martin worked with the regional outreach of RTV (Reclaiming the Valley) and as a team member, ordained many who sought training and supervision through RTV, at which point he was ordained again through RTV since their paperwork was recognized in many regions of the world. In the early period of the 1990's Pastor Martin was elected Chairman of the Local Concerts of Prayer, a worldwide prayer movement with a highly successful branch in Pasadena. Not long after a term as Press coordinator With the March for Jesus (a worldwide march of millions), Pastor Martin became Chairman of the Board of Harvest-Time Ministries, Inc. in Pasadena, and then Associate Pastor at Grace Community Bible Church. Pastor Martin is also a teacher-on-staff at CBI (Christian Bible Institute), a Bible teaching college with satellite campuses across Los Angeles.
