In the tradition of *The Official Preppy Handbook*, *The Uptight Seattleite* is the Stephen Colbert of left-wing satire. The author of the wildly popular *Seattle Weekly* advice column teaches Americans everywhere how to embrace their inner leftist. Artfully balancing the cosmic with the cosmopolitan, the *Uptight Seattleite* (aka Adrian) delights his loyal readers each week with snide insight on everything from fashion ("Can I pull off a Rasta beret?") to ear-bud etiquette. In *A Sensitive Liberal's Guide to Life*, he brings his savvy smugness to his widest audience yet, on topics such as the hierarchy of transportation righteousness (what to do with the clunky old Subaru after purchasing a Prius) and ethical behavior at the grocery store, including how to handle the horror of forgetting to bring your reusable burlap sack. Other day-to-day advice covers what to read on the bus (Vonnegut versus *The Kite Runner* versus *The Economist*) and feasting at the buffet of diversity, with tips for shooting a condescending smile at those who don't know how to use chopsticks. The *Uptight Seattleite* also helps readers navigate the big issues, such as responsible parenting (which calls for a mini-landfill kit, perfect for the backyard and ready to be stuffed with environmentally unfriendly diapers). For every insecure liberal—and those who love to make fun of them—the *Uptight Seattleite* offers us laughs from the
