While the script of Pyretown does acknowledge that one of the play's two characters lives around burned-out buildings, and audiences could infer that both characters have burned out their lives, the title remains fairly cryptic during the performance. However, the play that unfolds quickly becomes a vivid engagement between two troubled yet vivacious characters that may

through a romance between a divorced mother and a young, wheelchair-using man. Belluso joined the crew of the HBO western drama *Deadwood* as a writer for the first season in 2004, writing "The Trial of Jack McCall".

John Belluso - Wikipedia

John Belluso's *Pyretown* has few subtleties. An emotional blast on the red tape, unfairness, and inadequacies of the managed health care system in the United States, the two-act play begins as a burgeoning love story. Louise is a frazzled mother with single-parent responsibilities who is battling to adequately care for her children.

Theatre News & Reviews - "Pyretown"

This article explores the significance of disability identity at work in John Belluso's 2004 play *Pyretown* on two primary levels: the level of the play and the level of production. At the level of the play, the dramaturgical use of the lived experience of disability is examined through a postpositivist realist lens.
