many forms—from the simple prayer of beginning again to unceasing prayer. He clarifies the prayer process, answers common misconceptions, and shows the way into prayers of contemplation, healing, blessing, forgiveness, and rest. Coming to prayer is like coming home, Foster says. "Nothing feels more right, more like what we are created to be and to do. Yet at the same time we are confronted with great mysteries. Who hasn't struggled with the puzzle of unanswered prayer? Who hasn't wondered how a finite person can commune with the infinite Creator of the universe? Who hasn't questioned whether prayer isn't merely psychological manipulation after all? We do our
