When I found him on my parents' couch, drowning his sorrows in a whiskey bottle, my attempts to comfort him quickly turned into a night of raw and intense passion. My foolish heart hoped he might feel the same way I do. But Ben wasn't there to stay and I woke up the next morning alone with a broken heart. I attempted to forget the guy with a smile to die for and a touch that sets me on fire. I thought I was over him. I thought he was gone forever. Until, eighteen months later Ben returns and learns my secret. Now, he is hell-bent on winning me back. He plays dirty. And he won't stop until he gets what he wants—me. Now he said he'd honor his commitment to her—regardless of the gulf that lay between them. Then Lily spoke her mind . . . She said she wanted only to start a new life—wanted only a husband who truly loved her. She had to leave him to learn how to meet his world on her terms. So Lily agreed to earn her keep as his aunt's companion and study the genteel arts. Soon she was the toast of the ton, every inch a countess fit for the earl, who vowed to prove to his remarkable wife that what he felt for her was far more than desire, that what he wanted from her was much more than . . . *One Night for Love*.
