"What would the world be like if the dinosaurs hadn't gone extinct? As this very funny book shows, for one thing, L.A. would be even weirder than it is now." --Dave Barry Vincent Rubio, a Los Angeles private investigator, is down on his luck: He's out of work. His car's been repossessed. His partner has died under mysterious circumstances. And his tail just won't stay put. Vincent is a dinosaur--a Velociraptor, to be precise. It seems the dinosaurs faked their extinction 65 million years ago and still roam the earth, disguised in convincing latex costumes that help them blend perfectly into human society. A heightened sense of smell allows the dinos to detect one another--Vincent's got an odor like a tasty Cuban cigar. When Vincent is called to investigate a two-bit case of arson at a hip dino nightclub, he discovers something much more sinister, which lures him back to New York City--the scene of his partner's death and a dangerous nexus of dinosaur and human intermingling. Will Vincent solve the mystery of his partner's death? Will a gorgeous blond chanteuse discover his true identity, jeopardizing both their lives? Will Vincent be able to conquer his dangerous addiction to basil, or will he wind up in Herba-holics Anonymous? Will he find true love, or resort to crumpled issues of Stegolicious? Somewhere between Jurassic Park and L.A. Confidential lies Eric Garcia's Anonymous Rex, one of the smartest, wittiest, and most entertaining debuts this side of the Ice Age.

This charming story will entertain and provide gentle guidance to young readers with an emphasis on patience, friendship, and understanding and appreciating differences in others.

Paul Stickland's exuberant band of dinosaur characters have finally burst their seams. The best-selling band of jurassic jokesters can't help but peek and poke their head and tails out over the edges of this pair of ultra-sturdy, bright and bold, shaped board books. The simple, rhyming chant-along text lopes along with all the verve of the Stickland's ever-popular "DINOSAUR ROAR" to ensure that these are read-alouds little listeners will want to hear again and again.
