And by the end of the six-year campaign they have not only proved themselves the toughest fighters in the army, they have also - at huge personal cost - created the modern notion of the infantryman. In an exhilarating work of narrative military history, Mark Urban traces the story of the 95th Rifles, the toughest and deadliest sharpshooters of Wellington's Army.

"Wellington's Rifles" is a well-written account of the 95th Regiment in the Napoleonic wars. The book achieves a solid balance between the detail required to cover the small scale battles this type of unit thrives in and the broader view that is required to pace the book through six years of campaigning.
