Additionally, you must have 24 months in the Inpatient Obstetric Nursing specialty, which must be comprised of 2,000 hours minimum of education, direct patient care, research, or administration in the specialty.

Inpatient Obstetric Nursing Practice Exam (Prep for the test)

(Maybe because AWHONN also has a high risk and critical care ob book - I have the book but haven't had a chance to read it yet.) The teacher knew the test so well, so emphasized important things. More than that, she really had a lot to say about best practice - I actually thought it was beneficial that I took it early in my career because it really emphasized the "right" way to do things.
