Saga - Studio Tomahawk

The Saga system is universal, meaning it can be used to explore any gaming genre or campaign setting. It is also rules-light and focused on storytelling rather than statistics and point counting, meaning that the system is primarily narrative in nature. It is not a diceless system, but dice do not dominate gameplay in a Saga adventure.

Like shooting, the use of Saga abilities and fatigue is now alternated between players, and there is also a dice limit, no more than 32D6 can be thrown in an attack. Defence rolls have any attackers effects applied first, then defenders, but the owning player can add these modifiers in any order they wish.

Wargames Illustrated | SAGA 2nd Edition – An In Depth Analysis

These rules have different basing requirements. Saga is a skirmish game, so needs individually based miniatures, although I prefer to start the game with them mounted on irregular movement trays to speed up early moves. Deus Vult and Hail Caesar both require miniatures to be based on rectangular bases containing a variable number of figures.

A game of SAGA will generally be played by forces of 4-6 points in size. Some factions may then give their units specific equipment, such as bows, horses, or javelins, which also have specific rules – usually an upside and a downside, to keep things balanced. Step by Step. A game of SAGA is divided into two phases; order, and activation.

SAGA version 2 rules review | Scent of a Gamer

That's because unlike in Warhammer, you don't win in the list building stage – you win by using SAGA abilities, the main selling point of the game. Every nation has their own SAGA board, powered by the SAGA dice - D6s that have special symbols of them. A hale and hearty 4 point warband of a warlord, two units of hearthguard and two bands of warriors will roll 6 dice – two for for the warlord and one for each unit.

You the player look at your Saga dice roll, the options on your battle board, and the fatigue level of your opponents as resources to be managed in order to develop a plan of battle. These three areas: Saga dice, the battle boards, and the fatigue tokens, comprise the major game mechanics that distinguish Saga as a set of miniatures rules. I could go into the nitty gritty of movement, distances, how melee and shooting are handled, and how warbands are built, but these really aren't all that ...
