to Handle the
People Side of
Your
Management

Transformation.
Organizational
change is a key
component of any
SAP S/4HANA
transformation
or
implementation
of any of the
top ERP systems.

Online Library

Sap

But too often, organizations limit their scope of change to myopically focus on end-user training.

When we are close to the day-to-day details of a digital transformation, we assume that we just need to

Online Library

Sap

train people
once we figure
out the new
processes and
technologies.

~~SAP S/4HANA~~

Change

~~Management: How
to Handle the
People ...~~

The Engineering
Change

Management (ECM)

Online Library

Sap

Engineering
Change
Management

is used to track and control all the changes with reference to

Material master, BOM, Work Center & Routing. The first step you need to do is to create a Change master thru CC01 T-code. The system will give you one change

Online Library

Sap

number. Using this number you can change all the masters record.
