Into

'Seeing Voices is both a history of the deaf and an account of the development of an extraordinary and expressive language' Evening Standard. Imaginative and insightful, Seeing Voices offers a way into a world that is, for many people, alien and unfamiliar - for to be profoundly deaf is not just to live in a world of silence, but also to live in a world where the visual is paramount.

journey into the world of the deaf, which he explores with the same passion and insight that have illuminated other human conditions for his readers everywhere. Seeing Voices begins with the history of deaf people in the United States, the often outrageous ways in which they have been seen and treated in the past, and their continuing struggle for acceptance in a hearing world.

Seeing Voices was originally published in 1989. That was a big in-between year for the deaf. In 1988 Gallaudet students successfully pushed for a deaf president of the university. And in 1990, the Americans with Disabilities Act would be signed into law. As for me, in 1989 I was three years old. I had
