Liverpool Echo Because it's funny "My two boys love this book and I have actually had tears running down my face and had to stop reading because of laughing so hard. My oldest son is rereading all the books in this series on his own now and he still loves them. Happy reading!" T. Franklin, Parent "A modern comic classic." SF Said, Guardian Children's Books Supplement Kids get to be harmlessly rebellious "Henry is a beguiling hero who has entranced millions of reluctant readers... little rebels will love this collection and even little angels will be secretly thrilled by Henry's anti-heroic behaviour." Herald Henry's naughtiness is a yardstick against which children can get a sense of their own moral goodness and social justice "What is brilliant about the books is that Henry never does anything that is subversive. Danielle Hall, Teacher The structure provides new readers with a real sense of accomplishment "My son is 7 years old and a big Horrid Henry fan. This book lived up to his expectations! Horrid Henry is like most boys: he always has a plan and is always getting into mischief! It was amusing, and he could not put it down. Can't wait for the next. He read it cover to cover by himself in 2 days! That for me sells a book! He can't wait for the next one to be published. He has recommended it to all his friends." The first in a new series by New York Times bestselling author V.C. Andrews is a classic story featuring the dark side of jealousy—and the cruelty of deception. In the eye of the storm...is anywhere truly safe? Living on the streets with her destitute mother, selling knickknacks and trinkets just to survive, Sasha Porter dreams of someday having a normal life, with a real house and family. But she never dreamed a devastating tragedy would bring her those very things: on a stormy night by a rainspattered highway, a speeding car veers out of control, striking and killing her mother and badly injuring Sasha. In the hospital, Sasha is whisked off to a fancy private suite at the request of wealthy Mrs. Jordan March, a complete stranger who keeps watch by Sasha's bedside and insists she come live at her family's sprawling, luxurious mansion. Sasha soon learns Mrs. March never recovered from the loss of her daughter Alena, and with nowhere else to go, Sasha agrees to use Alena's room, sleep in her bed, and wear her clothes. But someone will make sure that Sasha never takes Alena's place: a jealous sister dead set on making Sasha's life a living hell.
