Sisters in Sanity | The very first novel by the #1 New York Times bestselling author of If I Stay now has a beautiful new cover. Sisters in Sanity is a story of sisterhood and self-discovery that's perfect for fans of Sarah Dessen, Morgan Matson, and Siobhan Vivian. Britt Hemphill doesn't know who she can trust.

Forced to attend a "boot camp" for teen girls because of their rebellious ways, a group of misunderstood girls lean on one another for support as they make

Get Free Sisters In Sanity Gayle Forman

their plans to escape from the land of the ridiculous.

The very first novel by the #1 New York Times bestselling author of *If I Stay* now has a beautiful new cover. *Sisters in Sanity* is a story of sisterhood and self-discovery that's perfect for fans of Sarah Dessen, Morgan Matson, and Siobhan Vivian. Britt Hemphill doesn't know who she can trust. Her free-spirit mother has disappeared, and her father, once Britt's partner in crime, has remarried and shipped her off to Red Rock, a so-called treatment facility for troubled girls. And the counselors at Red Rock? They're completely insane. Britt's horror at the "therapy"—vicious name-calling and grueling physical labor—is second only to her hatred for the backstabbing patients, who win privileges by ratting each other out. But when V, Bebe, Martha, and Cassie, the four girls who keep Britt from going over the edge, help her sneak out to go see Jeb, her maybe-more-than-friends bandmate, she starts to believe that there may actually be people who can help her—and people that she can help by taking down Red Rocks. *Sisters in Sanity* perfectly captures the feeling of being trapped in a world that refuses to understand you—and fighting back.

"Three teenagers, Freya, Harun, and Nathaniel feel lost in various ways and when they collide in Central Park, they begin to find purpose in their lives"--

"This surprising, compassionate story brings to life the secret, guilty fantasy of many overworked moms." —People "In an enthralling novel reminiscent of Anne Tyler's *Ladder of Years*, a woman who recently suffered a heart attack runs away to recover her equilibrium." —O, The Oprah Magazine Every woman who has ever fantasized about driving past her exit on the highway instead of going home to make dinner, and every woman who has ever dreamed of boarding a train to a place where no one needs constant attention--meet Maribeth Klein. A harried working mother who's so busy taking care of her husband and twins, she doesn't even realize she's had a heart attack. Surprised to discover that her recuperation seems to be an imposition on those who rely on her, Maribeth does the unthinkable: she packs a bag and leaves. But, as is often the case, once we get where we're going we see our lives from a different perspective. Far from the demands of family and career and with the help of liberating new friendships, Maribeth is able to own up to secrets she has been keeping from herself and those she loves. With bighearted characters--husbands, wives, friends, and lovers--who stumble and trip, grow and forgive, *Leave Me* is about facing the fears we're all running from. Gayle Forman is a dazzling observer of human nature. She has written an irresistible novel that confronts the ambivalence of modern motherhood head on and asks, what happens when a grown woman runs away from home?

With no memory of the car accident itself, 17-year-old Mia must come to terms with never really knowing what happened one horrific winter's day that changed her life forever.

The highly anticipated sequel to the New York Times bestselling and critically acclaimed *If I Stay* Picking up several years after the dramatic conclusion of *If I Stay*, *Where She Went* continues the story of Adam and Mia, from Adam's point of view. Ever since Mia's decision to stay - but not with him - Adam's career has been on a wonderful trajectory. His album, borne from the anguish and pain of their breakup, has made him a bona fide star. And Mia herself has become a top-rate cellist, playing in some of the finest venues in the world. When their respective paths put them both in New York City at the same time, the result is a single night in which the two reunite - with wholly satisfying results. And don't miss Gayle's newest novel, *JUST ONE DAY* and the forthcoming companion, *JUST ONE YEAR*.

"Sparks fly when American good girl Allyson encounters laid-back Dutch actor Willem, so she follows him on a whirlwind trip to Paris, upending her life in just one day and prompting a year of self-discovery and the search for true love."--

When a journalist sets out on a round-the-globe adventure, she hopes to meet those that live outside mainstream society, only to find that even on the fringes, the unstoppable forces of globalization encroach on daily life. 30,000 first printing.

After spending one life-changing day in Paris with laid-back Dutch actor Willem De Ruiter, sheltered American good girl Allyson “ Lulu ” Healey discovered her new lover had disappeared without a trace. Just One Day followed Allyson ’ s quest to reunite with Willem; Just One Year chronicled the pair ’ s year apart from Willem ’ s perspective. Now, back together at last, this delectable e-novella reveals the couple ’ s final chapter.

Sparks fly when American good girl Allyson encounters laid-back Dutch actor Willem, so she follows him on a whirlwind trip to Paris, upending her life in just one day and prompting a year of self-discovery and the search for true love.
