Still I am ever thankful to rediscover books like Skeleton Crew, Night Shift, Different Seasons and his other masterpieces like The Stand, etc. King has proven that his brilliance was not limited to the horror genre with Delores Claiborne and The Shawshank Redemption which I believe was published as a novella.

Three skeletons have a good time on their sailing vacation, until their boat is boarded by pirates.

Titles include "Different Seasons, Skeleton Crew" and "Nightmares & Dreamscapes".

Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee The Shawshank Redemption. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie Stand By Me. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."--Provided by publisher.

Power dynamics shift as their manager Reggie is torn between doing right by his work family, and by the red tape in his office. Powerful and tense, Skeleton Crew is the third of Dominique Morisseau's Detroit cycle trilogy.

#1 New York Times bestselling author Stephen King's terrifying novella about a town engulfed in a dense, mysterious mist as humanity makes its last stand against unholy destruction—originally published in the acclaimed short story collection Skeleton Crew and made into a TV series, as well as a feature film starring Thomas Jane and Marcia Gay Harden. In the wake of a summer storm, terror descends...David Drayton, his son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies following a freak storm. Once there, they become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on their nerves, a religious zealot, Mrs. Carmody, begins to play on their fears to convince them that this is God's vengeance for their sins. She insists a sacrifice must be made and two groups—those for and those against—are aligned. Clearly, staying in the store may prove fatal, and the Draytons, along with store employee Ollie Weeks, Amanda Dumfries, Irene Reppler, and Dan Miller, attempt to make their escape. But what's out there may be worse than what they left behind. This exhilarating novella explores the horror in both the enemy you know—and the one you can only imagine.

Twenty stories of horror and nightmarish fantasy transform everyday situations into experiences of compelling terror in the worlds of the living, the dying, and the nonliving

Collection of 23 short stories--from classic horror to vampire thrillers, imitations of Sir Arthur Conan Doyle and Raymond Chandler, a teleplay, and a non-fiction bonus, a heartfelt little piece on Little League baseball.

There is a strange men's club in New York where all the members tell each other stories and where no-one looks older, no matter how many years have passed. One night a doctor tells the story of a young woman who gives birth to a baby in the most horrible way.
