Sociology: A Global Introduction, with its international outlook and cultural diversity, represents a unique and complete learning resource for sociology students worldwide. Each chapter addresses a new change in society, and reveals how progress in society often comes at a price. This text has been fully updated to include the latest key debates, topics and data, and also highlights the importance of technology in contemporary social life.

A new edition of a popular college reference features thirty percent new articles addressing current issues of contemporary sociology, from politics and religion to crime and poverty, in a volume that links each article to related chapters in widely used introductory textbooks. Original. 35,000 first printing.

A latest edition of readings for the Introductory Sociology college market features thirty percent new articles that address current issues of contemporary sociology, from gender and politics to religion and AIDS, in a collection complemented by correlating charts that list key introductory textbooks. Original. 20,000 first printing.

For upper-division undergraduate/beginning graduate-level courses in Medical Sociology, and for Behavioral Science courses in schools of Public Health, Medicine, Pharmacy, and Nursing. A comprehensive overview of the most current issues in medical sociology. The standard text in the field, Medical Sociology presents the discipline's most recent and relevant ideas, concepts, themes, issues, debates, and research findings. To draw students into the course, author Dr. William Cockerham integrates engaging first-person accounts from patients, physicians, and other health care providers throughout the text. The Thirteenth Edition addresses the current changes stemming from health care reform in the United States, and other issues that reflect the focus of the field today.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- A Down-to-Earth Approach James Henslin shares the excitement of sociology in Essentials of Sociology: A Down-to-Earth Approach, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series. This title is available in a variety of formats - digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. 0133810607 / 9780133810608 Essentials of Sociology Plus NEW MySocLab with Pearson eText -- Access Card Package Package consists of 0133803546 / 9780133803549 Essentials of Sociology 0205206530 / 9780205206537 NEW MySocLab with Pearson eText -- Valuepack Access Card

For thirty-five years and through thirteen editions, Jim Henslin's Down to Earth Sociology has opened new windows onto the social realities that shape our world. Now in its fourteenth edition, the most popular anthology in sociology includes new articles on our changing world while also retaining its classic must-read essays. Focusing on social interaction in everyday life, the forty-six selections bring students face-to-face with the twin projects of contemporary sociology: understanding the individual's experience of society and analyzing social structure. The fourteenth edition's exceptional new readings include selections on the role of sympathy in everyday life, mistaken perceptions of the American family, the effects of a criminal record on getting a job, and the major social trends affecting our future. Together with these essential new articles, the selections by Peter Berger, Herbert Gans, Erving Goffman, Donna Eder, Zella Luria, C. Wright Mills, Deborah Tannen, Barrie Thorne, Sidney Katz, Philip Zimbardo, and many others provide firsthand reporting that gives students a sense of "being there." Henslin also explains basic methods of social research, providing insight into how sociologists explore the social world. The selections in Down to Earth Sociology highlight the most significant themes of contemporary sociology, ranging from the sociology of gender, power, politics, and religion to the contemporary crises of racial tension, crime, rape, poverty, and homelessness.

For courses in Introductory Sociology See sociology in everyday life Society: The Basics utilizes a complete theoretical framework and a global perspective to offer students an accessible and relevant introduction to sociology. John Macionis, author of the best-selling Introductory Sociology franchise over the last three decades, empowers students to see the world around them through a sociological lens, helping them to better understand their own lives. Informative as well as engaging, Society: The Basics will change the way readers see the world, and open the door to a new perspective and new opportunities. In addition to extensively updated data, the Fourteenth Edition offers engaging discussions of hot-button contemporary topics such as the increased proliferation of social media as well as expanded coverage of race, class, and gender. Also available with MySocLab® MySocLab for the Introductory Sociology course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Please note: this version of MySocLab does not include an eText. Society: The Basics, Fourteenth Edition is also available via REVEL[], an interactive learning environment that enables students to read, practice, and study in one continuous experience. Note: You are purchasing a standalone product; MyLab[] & Mastering[] does not come packaged with this content. Students, if interested in purchasing this title with MyLab & Mastering, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyLab & Mastering, search for: 0134226992 / 9780134226996 Society: The Basics plus MySocLab® for Introductory Sociology - Access Card Package, 14/e Package consists of: 0134206320 / 9780134206325 Society: The Basics, 14/e 0133878104 / 9780133878103 MySocLab for Introductory Sociology Access Card

Three basic premises guide this highly successful introductory text - first that theory and research must be both comprehensive and clear, second that the text must show how sociology is relevant both to the study of society and to students' lives and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well respected text combines a balanced three-perspective approach with excellent student oriented examples, and distinctive social policy sections in a concise presentation that offers an alternative to full length books.
