17 chance to fire! Use kiting to retreat and avoid damage, or pursue while attacking. Kiting is done by moving a short distance, hitting S (or H), then moving again once the firing animation starts.

StarCraft II Guide - TL

1. When expanding, you can build your command center behind your choke point inside your base, and then once it's built, just fly it to the expansion site and land there. 2. If your buildings are being attacked by units that can only attack ground, you can raise your buildings up so they can't get hit.
