Still Life is a short play in five scenes by

Noël Coward, one of ten plays that make

up Tonight at 8.30, a cycle written to be

performed across three evenings.[n 1] One-

act plays were unfashionable in the 1920s

Noël Coward, in full Sir Noël Peirce Coward, (born December 16, 1899, Teddington, near London, England—died March 26, 1973, St. Mary, Jamaica), English playwright, actor, and composer best known for highly polished comedies of manners.

Noel Coward | Biography, Plays, & Facts | Britannica

Sir Noël Peirce Coward (16 December 1899 – 26 March 1973) was an English playwright, composer, director, actor and singer, known for his wit, flamboyance, and what Time magazine called "a sense of personal style, a combination of cheek and chic, pose and poise". Coward attended a dance academy in London as a

Noël Coward - Wikipedia

The Hart Players theatre company brings Noël Coward's Still Life to the Fringe. The company did justice to a thoroughly entertaining play. An accidental meeting leads to love between Laura Jesson, a housewife, and Alec Harvey, a doctor who Coward himself originally played. The tension between moral propriety and passionate love unfolds, until the lover's part for the sake of practicality.

Noël Coward, Writer: In Which We Serve. Noel Coward virtually invented the concept of Englishness for the 20th century. An astounding polymath - dramatist, actor, writer, composer, lyricist, painter, and wit -- he was defined by his Englishness as much as he defined it. He was indeed the first Brit pop star, the first ambassador of "cool Britannia."

Noel Coward's one-act play *Still Life* (itself part of his *Tonight at 8:30* series) tells a riveting story of the extra-marital affair of Laura Jesson and Alec Harvey. Set over the course of a year within the confines of a train station café, we see the couple meet with him helping clean dirt out of her eye, then as the seasons change, they bond over coffee and biscuits.
