The strategic management process has 3 distinct phases: planning, implementation, and evaluation. The three phases are distinct in theory and in practice they overlap and iterate. The assumptions and forecasts on which decisions are based can be checked and if needed corrected. 3 phases of the strategic management process; Formulation phase.

Strategic Management: Meaning, Concepts, Examples (Explained)

Strategic management is a broader term than strategy and is a process that includes top management's analysis of the environment in which the organization operates prior to formulating a strategy, as well as the plan for implementation and control of the strategy.
