I thought the book *The Best Test Preparation for the GRE Economics* was quite useful, but it's gotten absolutely horrid reviews. You may want to see if you can borrow it before committing to buying it. There is also a book called *Practicing to Take the GRE Economics Test* but I've never used it so I'm not sure how good it is. It is important to study for the test, as it may cover some material that you did not study as an undergraduate.
