In 33 Strategies of War, Robert Greene turns military combat into an appropriate metaphor for life in the so-called civilized world. The author introduces the book with a warning to not be deceived by the political correctness and democratic values that the modern world promotes, because beneath the splendor of the king's court is nothing more than human nature broiling in its most aggressive essence, and rather vented through covert, subtle,

As Robert Greene says in ' The 33 Strategies of War ' we must erase the memory of the last war.

STRATEGY 1 – THE POLARITY

STRATEGY “As the opposite poles of a magnet create motion, your enemies – your opposites – can fill you with purpose and direction.”
