Colour Of Milk

The Colour of Milk tells the story of Mary a girl that lives on a farm with her three older sisters in 1830. Written mainly in lower case and incorrectly punctuated to illustrate Mary's lack of education it takes a while to get used to the writing.

Depending on which dairy produces the milk, the cap colours may vary between light and dark blue. For example: Borden and Amish Country Farms have a light blue cap, while Dari Gold and Dean's are dark blue. Two per cent milk is recognised by the blue cap and label. This labelling means the milk contains less fat, but is not low fat.
