Talent wins games, but teamwork wins championships. This is true in sports, pop culture, and every other industry--including business. In this essential guidebook, New York Times bestselling author John C. Maxwell explains why teamwork is the heart of great achievement in the game of business and shows readers how to prioritize teamwork and collaboration to achieve winning results. You'll learn how to: build a team that lasts; create positive energy on the team; harness a team's creativity; identify weak players who negatively impact your team; and judge if your team can accomplish the dream. You'll also discover how a winning team is self-fulfilling fuel: because everyone wants to be part of the winning team, you'll continue to attract only the best talent--and stay on top. A great team is the key to great results--for individual employees, leaders, and the company as a whole. Teamwork 101 demonstrates how to build and maintain one for yourself so you can leverage the benefits--and fun--of exceptional teamwork.

Maxwell gives you the bottom line on mentoring--what it is, why you should do it, and how you can do it most effectively. In Mentoring 101, Maxwell guides you in the art of mentoring by explaining: how to choose the right person to mentor, how to create the right environment for leaders to thrive and grow, how to help people become better, and how to overcome the most intimidating hurdle of all: getting started. What if you spent your entire life achieving but never shared your wisdom with anyone else? Mentoring is the key to creating a lasting legacy, and Mentoring 101 is your personalized key to seeing that journey through.

Do you feel overwhelmed by all the stuff in your home? Is your home office a messy file drawer of papers? Do you want to get organized, but you do not know where to start? This book will help you look at your stuff differently and put you on the right track to get organized and stay organized, so you can better enjoy life. We will consider the real value of our possessions. Is "real value" a dollar amount? Or the usefulness of the item? Or how it makes you feel? There are many ways to consider an item's value, none of them right or wrong. Everything is relative in terms of what is really important to you, whether it be your time, your space, or your stuff.

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Seven billion people on earth; it was only a matter of time before you discovered the truth. Your legends--your myths and religions--have called us by many names. Since the beginning, our kind has walked among you as your protectors. We are the only ones who know who you are and why you are here. He wasn't meant to disappear; you weren't meant to know why. Our objective was clear: hunt them, kill them and leave. Once you know, there will be no going back. They will come for you. Are you ready?
