Lauren: Graham is my brother's best friend. He's always been my protector and my confidant because he accepts me the way I am-and not many do. I can't imagine not having him in my life. Our weekend together was supposed to be a celebration. I graduated from college, Graham got engaged and signed with a pro football team, and my brother landed his dream job. It should have been the best time of our lives. Except that the weekend started with me walking in on Graham's fiancee going down on my brother. I complicated the situation by having sex with Graham after that, but I wanted to comfort him and, damn, when I saw desire in his eyes-for me-I couldn't say no. I've wanted him for so long. Now he doesn't want to see me. He says he has a darker side he needs to protect me from. Where do we go from here? Do I try to pretend to be his friend again or push him to open up to me and possibly lose him forever? Graham Sleeping with one of my best friends was not exactly a brilliant idea. It made things complicated, and I didn't do anything that threw my

Life into chaos. The fiancée her brother Jack, had stolen had been part of my life plan, one more step I was taking to be somebody. Granted, I hadn't been in love with my intended bride, but I didn't really know how to love anybody. I survived. I pushed to achieve more. I battled my way to the top of the heap in my pro football career. I'm a total dick, and I don't want Lauren to see the side of me that would trample over anybody to work my way up in the world. Lauren sees me as a hero, a title I'd never gain with anybody else in my life, so I wanted to keep her sheltered from the hard realities of my life. I wanted her to continue to think I was a nice guy when I was really just the opposite. We never should have crossed the line of going from friends to lovers. There's too much Lauren doesn't know about me, and I care enough about her that I don't want her to share my pain and the darkness that never sees daylight inside me. I want her, but she's a woman I can never have. She's too smart, too sweet, and way too good for a guy like me. Unfortunately, pushing her away becomes much more difficult than I'd planned...

Good Girls Do, Bad Girls Don't. Now meet Big Girls... After her plus-size modeling career tanks, Leena Riley becomes a receptionist in her hometown veterinarian's office. Too bad the vet is Cole Flannigan, a boy who taunted her all through school. Good thing Leena has grown into her curves, because he's about to grow very fond of her.

In this heartfelt, incisive novel, Danielle Steel celebrates the virtues of unconventional beauty while exploring deeply resonant issues of weight, self-

image, sisterhood, and family. A chubby little girl with ordinary looks, Victoria Dawson has always felt out of place in her family, especially in body-conscious L.A. While her parents and sister can eat anything and not gain an ounce, Victoria must watch everything she eats, as well as endure her father's belittling comments about her body and see her academic achievements go unacknowledged. Ice cream and oversized helpings of all the wrong foods give her comfort, but only briefly. The one thing she knows is that she has to get away from home, and after college in Chicago, she moves to New York City. Landing her dream job as a high school teacher, Victoria loves working with her students and wages war on her weight at the gym. Despite tension with her parents, Victoria remains close to her younger sister, Grace. Though they couldn't be more different in looks, they love each other unconditionally. So when Grace announces her engagement to a man who is an exact replica of their narcissistic father, Victoria worries about her sister's future happiness, and with no man of her own, she feels like a failure once again. As the wedding draws near, a chance encounter, a deeply upsetting betrayal, and a family confrontation lead to a turning point. Behind Victoria is a lifetime of hurt and neglect she has tried to forget. Ahead is a challenge and a risk: to accept herself as she is, celebrate it, and claim the victories she has fought so hard for and deserves. Big girl or not, she is terrific and discovers that herself.

The author takes the reader on an incredible, tear jerking, journey of a misguided little girl so consumed with self-hate, misinformation, and distrust that it

catapulted her into a life filled with unbelievable challenges. Repeated rejections, major disappointments and misunderstandings contributed to distrust of everyone she would encounter throughout her life, including her family. In her search for love, fulfillment and acceptance, the author depicts a life turned upside down through a confusing series of curves and detours destined to destroy her and anyone in her path, until she found the right recipe for healing which comes with "forgiveness of self and others." Forgiveness is presented as the key to putting the past in perspective, finding a way to emerge from the depths of despair, then, shifting the focus to overcoming addictions, moving forward, and living a healthy, God directed, victorious life. This book, an inspirational, lifeline for anyone trying to find themselves, quickly captures and holds the reader's attention. The author demonstrates ways for individuals to conquer their fears and fight, perhaps for the first time in their lives for well-deserved, overdue new beginnings. The book reminds us to let, no man or woman hinder us from achieving our ultimate goal(s).

Voluptuous, full-figured women live life to the fullest and find true love in a quartet of romantic tales that include Donnal Hill's Dr. Love, The Perfect Seduction by Brenda Jackson, Through the Fire by Monica Jackson, and Francis Ray's His Everthing Woman. Original.
