The Enneagram: Understanding Yourself and the Others in ...

Why the Enneagram. The Enneagram describes nine character types; two types may behave in the same way, but the underlying motivation is different. During our childhood we develop coping strategies to avoid pain and disappointment, in an attempt to protect ourselves. Each type has a distinct way of seeing the world and an underlying motivation, which powerfully influences the way we think and behave, known as our default thinking and behaviour.

Why the Enneagram

The Enneagram can help you improve communications, better manage conflicts, embrace diversity, and strengthen your leadership skills. Using the Enneagram can also enhance your emotional intelligence: with more self-awareness comes better self-regulation, more empathy for others, and stronger social skills—all of which will help you appreciate different approaches and collaborate more effectively with others.
