Paul was a Hebrew of the Hebrews, steeped in the learning of his people. But he was also a Roman citizen who widely traveled the Mediterranean basin, and was very knowledgeable of the dominant Greek and Roman culture of his day. These two mighty rivers of influence converge in Paul's first letter to the Corinthians. With razor-sharp attention to the text, Kenneth Bailey examines the cultural milieu and rhetorical strategies that shaped this pivotal epistle. He discovers the deep layers of the Hebraic prophetic tradition informing Paul's writing, linking the Apostle with the great prophets of the Old Testament. Throughout, Bailey employs his expert knowledge of Near Eastern and Mediterranean culture to deliver to readers a new understanding of Paul and his world. Familiar passages take on a new hue as they are stripped of standard Western interpretations and rendered back into their ancient setting.

For forty eight hours, Krause will play a desperate cat and mouse game against the submarines, combating exhaustion, hunger, and thirst

Beginning with Jesus' birth, Ken Bailey leads you on a kaleidoscopic study of Jesus throughout the four Gospels, examining the life and ministry of Jesus with attention to the Lord's Prayer, the Beatitudes, Jesus' relationship to women, and especially Jesus' parables. The work dispels the obscurity of Western interpretations with a stark vision of Jesus in his original context.

Simplified retellings of eighty-six Bible stories.

For those practicing and teaching pastoral counseling, it offers historical insights into the field.

Explores the four parables in Luke 15. Shows how the cultural background of Arabic and Muslim theology affects the interpretation of these parables.

Here is an exciting Christmas drama informed by Kenneth Bailey's career as a renowned biblical scholar and by his years of living in the Middle East. The drama (featuring 30 minutes without music or 50 minutes with music) is biblically accurate, heartwarming and perfectly suited for church performance.

The distinctive concerns of apocalyptic literature, including the expectation of a messiah, hope for a resurrection, expectation of a final judgment, and a spiritual world that includes angels and demons. Yet many contemporary readers shy away from things apocalyptic, especially the book of Revelation. This introduction considers the influence of apocalyptic literature throughout the Gospels and Acts, Paul's letters, and Revelation. It argues that early Christian authors drew upon apocalyptic topics to address an impressive array of situations and concerns, and it demonstrates—example after example—how apocalyptic discourse contributed to their ongoing work of contextual theology.

What happens when a parish community chooses the Catechesis of the Good Shepherd for its youngest members? What questions should be asked before that decision is made, and after?
