Composition Book iPad Case Cover Review - Amazon Review The Ipad And Ipad Mini

As you can see, the older iPad mini 5 sports a higher-quality display than the base iPad (2020). The iPad mini 5's display is laminated, putting content closer to the glass and removing the noticeable air-gap as seen on the iPad (2020). The display on the mini 5 also supports P3 wide color, and it has a higher pixel density at 326ppi, versus 264ppi, which makes text crisper and colors more vibrant.
