Interesting Tidbits - Three forces need to create the long tail: 1. democratize production: give average people the ability to create quality content (movies, music, blogs) 2. democratize distribution: technology to aggregate "all" the content in a genre (Amazon, Netflix, iTunes) 3.

The Long Tail: Why the Future of Business Is Selling Less ...

Long tail marketing is a business strategy of equalling or exceeding the market demand of a hit product by stocking, offering, and marketing many less demand volume niche products. Unlike the usual strategy of product promotion, the long tail strategy focuses more on inventory management and selling multiple less popular products to generate as much profit from the long tail as the hit head.

What Is Long Tail In Marketing? | Long Tail Theory ...

In statistics and business, a long tail of some distributions of numbers is the portion of the distribution having many occurrences far from the "head" or central part of the distribution. The distribution could involve popularities, random numbers of occurrences of events with various probabilities, etc. The term is often used loosely, with no definition or arbitrary definition, but precise definitions are possible. In statistics, the term long-tailed distribution has a narrow technical meaning

Long tail - Wikipedia

Here are 3 lessons to help you understand the long tail and use it to your own advantage: In online markets, lots of niche goods tend to outsell fewer hit products. The tail gets longer and longer because everyone can now produce content. The tail gets fatter and fatter because everyone can also distribute their content.

The Long Tail Summary - Four Minute Books

Long Tail theory in a wider interpretation is the Wired editor Chris Anderson 's brainchild: „ The Long Tail, Why the future of Business is Selling less of More " states that the items that individually have low demand, if accumulated can draw in significantly more demand and therefore can imply multiple times more income than popular products that sell in huge volume.
