As a part of the History of Working- Class Marriage project, my PhD research is investigating the effects of marriage and family life on children in Scotland between 1920 and 1970. At this point in time there is no comprehensive history of childhood experiences in Scotland, and very little existing information on the experiences of children growing up in different family forms and circumstances.

They also note that family members take on status roles in a marriage or family. The family—and its members—perform certain functions that facilitate the prosperity and development of society. Sociologist George Murdock conducted a survey of 250 societies and determined that there are four universal residual functions of the family: sexual, reproductive, educational, and economic (Lee 1985).

marriage in America is a social and political battlefield in a way that it isn't in other developed countries. Americans marry and divorce more often and have more live-in partners than Europeans, and gay Americans have more interest in legalizing same-sex marriage. The difference comes from Americans' embrace of two contradictory cultural ideals: marriage, a formal commitment to share one's life with another; and individualism, which emphasizes personal choice and self-development. Religion and law in America reinforce both of these behavioral poles, fueling turmoil in our family life and heated debate in our public life. Cherlin's incisive diagnosis is an important contribution to the debate and points the way to slowing down the partnership merry-go-round.

issues have placed marriage and family at the forefront of the public eye. More so than at any point in history, we are now confronted with the need to carefully define the meaning of marriage and family. Professor Andreas K ö stenberger and ethics expert David W. Jones speak to the issues at hand and guide us through the fray. Presenting a Christian theology of marriage and parenting, they offer insight on issues such as: abortion contraception infertility adoption homosexuality divorce Marriage and Family: Biblical Essentials points the way to the spiritual solution to our culture ' s confusion: a return to, and rebuilding of, the biblical foundation of marriage and the family.

crises, it makes sense to think seriously about the many challenges of married life that loom so large today. The Book of Marriage offers a treasury of marital wisdom from across the ages. Intellectually engaging, morally rich, and ideologically balanced, this anthology gathers some of the deepest, wittiest, and most edifying perspectives on the big questions of married life: Why get married at all? Can love last a lifetime? How do we handle money? Who's the boss? What about children? Conflict? Growing old? Illness and death? There is even a chapter on divorce -- one calculated to save a few marriages. To date there has been no single comprehensive book of source readings on marriage and family life. Assembled with the aid of noted scholars from various fields, this volume treats marriage as more than just a relationship -- as an institution, a vocation, and a source of great spiritual and emotional rewards. Each chapter

introduces a different quandary of marriage and then culls the best from ancient and modern writings on the theme. The compendium of cultural wisdom on marriage ranges from the Bible and Eastern wisdom to Aristotle, St. Augustine, Maimonides, and Judith Wallerstein; from Homer, Shakespeare, Milton, and Jane Austen to Edward Albee, Gabriel Garcia Marquez, and Bill Cosby. An important resource for young adults, college students, engaged and married couples, educators, marriage counselors, therapists, pastors, and other family professionals, *The Book of Marriage* celebrates the diversity and essential humanity of the marital experience in a way that is accessible, entertaining, and eminently useful.

When it first appeared in 1995, *The Good Marriage* became a best-seller. It offers timeless clues to the secret of happy, long-lasting

marriages. Based on a groundbreaking study of fifty couples who consider themselves happily married, psychologist Judith Wallerstein presents the four basic types of marriage — romantic, rescue, companionate, and traditional — and identifies nine developmental tasks that must be successfully undertaken in a “ good marriage ” — separation from the family of origin, up-and-down vicissitudes of early years, children, balance of work and home, dealing with infidelities, and more. The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation, especially in the midst of societal pressures that can tear marriages apart. But they also convey an inspirational message, for almost all of them feel that their marriage is their single greatest accomplishment. The Good Marriage explains why, and its lively mix of storytelling and analysis

will challenge every couple to think in a profoundly different way about the most important relationship in their lives. “ Should be required reading for all who are interested in marriage. ” — W. Walter Menninger “ Should prove a lifesaver for many couples. ” — Publishers Weekly “ Will enrich the sparse literature on happy marriages. ” — USA Today “ One of the nice things about The Good Marriage is its modesty. It doesn ’ t pretend to offer a philosophy or even a lecture on marriage. It takes no position on the ideologically charged issues of women ’ s marital roles and status. Equally important, it ignores the two most common ways of talking about marriage — as a contract negotiated between two equal parties and as the pathway to individual fulfillment. For this reason it is refreshingly free of ‘ rights ’ talk and therapy talk. Indeed, Wallerstein places much more emphasis on the development of

good judgment and a moral sense than on the acquisition of effective communication or negotiation skills. ” — Barbara Dafoe Whitehead, *The Atlantic* “ A lagniappe to enduring couplehood... The strength of this study is that Ms. Wallerstein, a gifted interviewer, persuades the couples to reveal their interior lives in rich, explicit detail. ” — Susan Jacoby, *The New York Times Book Review* “ Written in a masterful style that often reads like the best popular fiction... Wallerstein and Blakeslee again combine their substantial talents... deftly and entertainingly exploring the foundations of good marriages. ” — Tara Aronson, *San Francisco Examiner & Chronicle* “ Groundbreaking. ” — *Boston Globe* “ This is a wonderfully readable and immensely valuable book, full of wise and original insights about the many, many roads to marital happiness. ” — Judith Viorst “ With wisdom, humor, and

greater insight into what makes individuals and couples happy in their relationships. This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective. ” — Nancy Williford, *Clinical Social Work Journal* “ In *The Good Marriage*, Wallerstein ’ s new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation... A best-selling author, Wallerstein employs a thoughtful, nonaggressive style that appeals to the general public. Wallerstein has performed an invaluable service in *The Good Marriage*. ” — Elizabeth M. Tully, M.D., *Journal of Academy of Child and Adolescent Psychiatry* “ Solid... impressive... Those interested in social policy should be pleased that so well-respected a liberal academic as Ms. Wallerstein has written a book that

celebrates marriage and points the way toward restructuring it. ”
— Wall Street Journal “ With extraordinary skill and compassion
Wallerstein and Blakeslee take us inside the lives of fifty American
couples and find that a good marriage still provides the best
framework for enduring love and intimacy. ” — Sylvia Ann
Hewlett “ A very appealing book... clearly written and clearly
thought out. ” — Library Journal “ Wallerstein ’ s major
contribution is not about how and why love lasts, but about how
and why love develops. It is in such a context, less idyllic, but more
realistic, that the book will prove to be a lasting contribution. ” —
