Few outside the security services have heard of 14 Company. As deadly as the SAS yet more secret, the Operators of 14 Company are Britains most effective weapon against international terrorism. For every bomb that goes off 14 Company prevent twelve. The selection process is the most physically, intellectually and emotionally demanding anywhere in the world. Trained to operate under cover, Operators have at their disposal an arsenal of techniques and weapons unmatched by any other UK government or military agency. This is the true story of one Operator and of some of the most hair-raising military operations ever conducted on the streets of Britain.

The inspiration for the Netflix original movie War Machine, starring Brad Pitt, Tilda Swinton, and Ben Kingsley From the author of The Last Magazine, a shocking behind-the-scenes portrait of our military commanders, their high-stake maneuvers, and the political firestorm that shook the United States. In the shadow of the hunt for Bin Laden and the United States' involvement in the Middle East, General Stanley McChrystal, the commanding general of international and U.S. forces in Afghanistan, was living large. His loyal staff liked to call him a " rock star. " During a spring 2010 trip, journalist Michael Hastings looked on as McChrystal and his staff let off steam, partying and openly bashing the Obama administration. When Hastings' s article appeared in Rolling Stone, it set off a political firestorm: McChrystal was unceremoniously fired. In The Operators, Hastings picks up where his Rolling Stone coup ended. From patrol missions in the Afghan hinterlands to senior military advisors' late-night bull sessions to hotel bars where spies and expensive hookers participate in nation-building, Hastings presents a shocking behind-the-scenes portrait of what he fears is an unwinnable war. Written in prose that is at once eye-opening and other times uncannily conversational, readers of No Easy Day will take to Hastings' unyielding first-hand account of the Afghan War and its cast of players.

AN EPIDEMIC OF CRIME GNAWED AWAY AT THE NATION'S LIFEblood! A gold-masked avenger, linked with malevolent foreign powers, seeks to crumble the economic foundations of the United States. Soon, crippled, bewildered, and terrified, a great free people tremble on the brink of capitulation. For Operator #5 and his loyal band of defenders of liberty, death is preferable to dishonor. And as the nation's leadership succumbs to panic, death stalks ever closer! A thrilling Operator #5 novel, originally published in the August, 1935 issue of Operator #5 magazine!
