The Sandman By Lars Kepler | Used - World of Books  
Serial killers, broken families and heartbreaking lost or tortured children are among [Detective Inspector Joona Linna's] specialties, and The Sandman is an adroitly nerve-racking book full of all those things. With its tight, staccato chapters and cast of dangerous wraiths lurking everywhere, The Sandman is a nonstop fright. It's able to shift its focus frequently with no loss of tension.

HE ' LL STEAL YOU IN YOUR SLEEP The fourth gripping serial killer thriller in the No.1 bestselling Joona Linna series. Perfect for fans of Jo Nesbo.

"With its tight, staccato chapters and cast of dangerous wraiths lurking everywhere, The Sandman is a nonstop fright." --Janet Maslin, The New York Times The #1 internationally best-selling thriller from the author of The Hypnotist tells the chilling story of a manipulative serial killer and the two brilliant police agents who must try to beat him at his own game. Late one night, outside Stockholm, Mikael Kohler-Frost is found wandering. Thirteen years earlier, he went missing along with his younger sister. They were long thought to have been victims of Sweden's most notorious serial killer, Jurek Walter, now serving a life sentence in a maximum security psychiatric hospital. Now Mikael tells the

## Where To Download The Sandman Joona Linna Book 4

police that his sister is still alive and being held by someone he knows only as the Sandman. Years ago, Detective Inspector Joona Linna made an excruciating personal sacrifice to ensure Jurek's capture. He is keenly aware of what this killer is capable of, and now he is certain that Jurek has an accomplice. He knows that any chance of rescuing Mikael's sister depends on getting Jurek to talk, and that the only agent capable of this is Inspector Saga Bauer, a twenty-seven-year-old prodigy. She will have to go under deep cover in the psychiatric ward where Jurek is imprisoned, and she will have to find a way to get to the psychopath before it's too late--and before he gets inside her head.

Tumba, Sweden. A triple homicide, all of the victims from the same family, captivates Detective Inspector Joona Linna, who demands to investigate the grisly murders -- against the wishes of the national police. The killer is at large, and it appears that the elder sister of the family escaped the carnage; it seems only a matter of time until she, too, is murdered. But where can Linna begin? The only surviving witness is an intended victim -- the boy whose mother, father, and little sister were killed before his eyes. Whoever committed the crimes intended for this boy to die: he has suffered more than one hundred knife wounds and Lapsed into a state of shock. He's in no condition to be questioned. Desperate for information, Linna sees one mode of recourse: hypnotism. He enlists Dr. Erik Maria Bark to mesmerize the boy, hoping to discover the killer through his eyes. It's the sort of work that Bark had sworn he would never do again--ethically dubious and psychically scarring. When he breaks his promise and hypnotizes the victim, a Long and terrifying chain

of events begins to unfurl.

Lars Kepler returns with a piercing, bestselling sequel to *The Hypnotist*. After spellbinding audiences in *The Hypnotist*, Detective Inspector Joona Linna is back in *The Nightmare*, an internationally bestselling Swedish thriller published to critical acclaim in dozens of countries. As the Swedish newspaper *Arbetarbladet* put it, "The reader is ready to sell his own soul for the opportunity to read this book without interruption, in one sitting." On a summer night, police recover the body of a young woman from an abandoned pleasure boat drifting around the Stockholm archipelago. Her lungs are filled with brackish water, and the forensics team is sure that she drowned. Why, then, is the pleasure boat still afloat, and why are there no traces of water on her clothes or body? The next day, a man turns up dead in his state apartment in Stockholm, hanging from a lamp hook. All signs point to suicide, but the room has a high ceiling, and there's not a single piece of furniture around—nothing to climb on. Joona Linna begins to piece together the two mysteries, but the logistics are a mere prelude to a dizzying and dangerous course of events. At its core, the most frightening aspect of *The Nightmare* isn't its gruesome crimes—it's the dark psychology of its characters, who show us how blind we are to our own motives.

**NOWHERE IS SAFE . . . NOT EVEN YOUR DREAMS.** Police discover the lifeless body of a young woman on an abandoned yacht. The next day, a man is found hanging in his apartment. When Detectives Joona Linna and Saga Bauer uncover a surprising connection between the two deaths, they will be forced to confront

# Where To Download The Sandman Joonas Linna Book 4

a relentless killer who 's always one step ahead and a ruthless business tycoon who preys on his victims ' worst nightmares to achieve his sinister ends.

INTERNATIONAL BEST SELLER • “ A nonstop roller coaster of suspense, taking us deep into the hearts and minds of perfectly realized characters. And, oh, what a villain! ... The definition of a one-sitting read! ” —Jeffery Deaver, New York Times best-selling author of *The Goodbye Man* Sometimes the past won't stay buried. All across Europe, the most ruthless criminals are suffering gruesome deaths. At first, it seems coincidental that their underworld affiliations are finally catching up to them. But when two of the victims are found to have disturbing connections to Detective Joonas Linna, it becomes clear that there 's a single killer at work. Still, police are reluctant to launch an investigation. If a mysterious vigilante is making their jobs easier, why stand in his way? Joonas, however, is convinced this is no would-be hero. These deaths serve a much darker purpose. Desperate for help, Joonas turns to Saga Bauer. If his hunch is correct, she 's one of the few people who stands a chance at bringing this criminal mastermind down. But Saga is fighting her own demons—and the killer knows just how to use them to his advantage. He continues to strike with impunity, and no one, it seems, is safe. When the killer begins targeting those closest to Saga and Joonas, it appears more and more likely that Joonas has been right all along, and that tracking down the person responsible will force him to confront a ghost from his past ... the most terrifying villain he 's ever had to face.

ONE OF THE NEW YORK TIMES TOP TEN CRIME

# Where To Download The Sandman Joona Linna Book 4

NOVELS OF THE YEAR Ten little rabbits, all dressed in white Tried to get to heaven on the end of a kite. Kite string got broken, down they all fell, Instead of going to heaven, they all went to... It begins with a nursery rhyme. Nineteen minutes later you die. A masked stranger stands in the shadows. He watches his victim through the window. He will kill him slowly—make him pay. Soon the Rabbit Hunter has claimed another three victims. This predator will stop at nothing to reap his ultimate revenge. It ' s up to Joona Linna and Saga Bauer to untangle one of the most complex cases of their career, and follow the killer ' s trail of destruction back to one horrific night of violence.

Already a huge success internationally, The Sandman is the explosive, utterly gripping fourth book in the internationally bestselling Joona Linna Thriller series, which has sold more than 3 million copies worldwide. For readers of Stieg Larsson, Henning Mankell, and Jo Nesbo. During a cold winter night in Stockholm a man is found walking alongside a railway bridge, suffering from hypothermia and legionella. After he's rushed to the hospital, it's discovered that, according to a death certificate, the man has been dead for over seven years. He is believed to be a victim of notorious serial killer Jurek Walter, who was arrested years ago by Detective Inspector Joona Linna and sentenced to a life of total isolation in forensic psychiatric care. As Joona Linna investigates where the "dead man" has been all these years, some unexpected evidence leads to the reopening of a cold case. Danger is imminent, and someone needs to get under the skin of the serial killer--fast--as they are running out of time.

"Lars Kepler ... [has] a taste for the macabre and a surefire recipe for the lurid serial-killer thriller. ... This is not a book for anyone on heart medication. Kepler is a virtuoso at delivering scenes of suspense." --Marilyn Stasio, The New York Times Book Review

The internationally bestselling authors of *The Sandman* and *The Hypnotist* return with a terrifying new thriller: Detective Joona Linna--recently returned from compassionate leave--reunites with hypnotist Erik Maria Bark in a search for a seemingly unassailable sadistic killer. The Swedish National Crime Unit receives a video of a young woman in her home, clearly unaware that she's being watched. Soon after the tape is received, the woman's body is found horrifically mutilated. With the arrival of the next, similar video, the police understand that the killer is toying with them, warning of a new victim, knowing there's nothing they can do. Detective Margot Silverman is put in charge of the investigation, and soon asks Detective Joona Linna for help. Linna, in turn, recruits Erik Maria Bark, the hypnotist and expert in trauma, with whom Linna's worked before. Bark is leery of forcing people to give up their secrets. But this time, Bark is the one hiding things. Years before, he had put a man away for an eerily similar crime, and now he's beginning to think that an innocent man may be behind bars--and a serial killer still on the loose. . .

When a medium contacts the police department with claims about a murder at a rural home for wayward girls, detective Joona Linna investigates bizarre clues only to find himself confronting more violent truths and a figure from his past. **By the best-selling authors of**
