Civil War before it's too late. The split between the right and the left is growing every day, and our country is in real trouble. Not between the states, but between true patriots who believe in our nation's founding principles and those he believes are working every day to undermine them and change the very nature of the country. Michael Savage is convinced we face more than just political differences. He believes the split between right and left is possibly irreversible unless we understand what's destroying American values and how to stop it. This fervent warning offers the Savage truth - a call to action in the voting booth - in order to defend the freedoms our Constitution so brilliantly established.

The wall, taxes, tariffs, deportations, Obamacare, guns, military strength, schools, abortion, religion - what will the new president do? The "Godfather of Trumpmania," Michael Savage, examines the initial appointments, speeches, tweets and history of Donald Trump and offers his insights and analysis. The man many consider to be the determining factor in driving Trump over the finish line by motivating millions of undecideds and the "Deplorables," who would have otherwise sat out the election, provides a crucial first look at the early direction of the Trump presidency. Savage has waged a twenty-five year war on the radio to save

America's borders, language and culture from a progressive onslaught that is already turning Europe into a socialist, multiculturalist nightmare, where violent gangs of radical Islamic refugees terrorize defenseless citizens on a daily basis. While most in the chattering classes around the world dismissed Trump's campaign, conservative radio icon Dr. Michael Savage championed Trump's platform and helped him galvanize the support of disaffected middle Americans left behind by the globalist central planners in their distant capitol. Savage's army of listeners on The Savage Nation was instrumental in electing Donald Trump to take the fight to Washington. But electoral victory was only the beginning. Trump now has an even bigger challenge in delivering on the promises he made to millions of American voters. He faces relentless opposition from special interests in both parties who stand

**Civil War** to lose trillions if Trump's America First policies become the law of the land. Dr. Michael Savage has been on the front line of this fight for decades and knows what Trump and his administration are up against. He lays out a path to victory for the new, conservative American revolutionaries in Trump's War.

#1 NYT bestselling author Michael Savage calls out the mass hysteria mongers and their methods, and shows Americans that we must look to history to understand the present and avoid repeating the mistakes of the past. Since Donald Trump's historic ascendance to the presidency, American politics have reached a boiling point. Social and economic issues, even national security, have become loud, violent flashpoints for political rivals in the government, in the media and on the streets. This collective

derangement has a name: mass hysteria. In his new book, *Stop Mass Hysteria*, #1 New York Times bestselling author Michael Savage not only deconstructs the Left's unhinged response to traditional American values like borders, language, and culture, but takes the reader on an unprecedented journey through mass hysteria's long history in the United States. From Christopher Columbus to the Salem Witch trials to the so-called "Red Scares" of the 1930s and 40s and much more, Dr. Savage recounts the many times collective insanity has gripped the American public - often prompted by sinister politicians with ulterior motives. Dr. Savage provides vital context for the common elements of dozens of outbreaks of mass hysteria in the past, their causes, their short and long-term effects, and the tactics of the puppet masters who duped gullible masses into fearing threats both real and imagined.
